

### Scenic Advantage of River Drive Is Told Lunch Club

Omaha Favored With Beautiful Water Front, Says Real Estate Secretary.

The scenic advantages for river drive purposes of the land along the Missouri river, from Riverview park to a point north of the water station at Florence, were referred to by Leo Bozell, executive secretary of the Omaha Real Estate board, during a talk to members of the Continental club at luncheon Friday.

Bozell explained that his organization is co-operating with the city planning board in the preliminary work. He asserted that it will require about a year and a half to dispose of the formalities in connection with acquisition of the land.

"City officials from Kansas City went over this ground and assured us that Omaha is unusually favored by nature for a river drive," Bozell said. "I am convinced that the river drive project will become a reality, and we must remember that it requires considerable time to put through a project of this size."

The speaker explained the city charter amendments, which were approved by the voters on May 6. Carl Eckstrom, former resident of Omaha and now an actor residing in New York City, spoke briefly on a revival of interest in the spoken drama. He recently closed a two years' engagement with the original company of "The Cat and the Canary."

### Girl Pals Jailed When Pup Comes Between Them and Big Fight Follows

A fight over a 6-week-old terrier puppy resulted in Helen Perry, 20, 316 South Twenty-sixth street, and Ruth Moore, 20, 318 South Twenty-sixth street, being jailed by Municipal Judge Frank Dineen for disturbing the peace. They were arrested Thursday night in the Boston Cafe by Patrolman Happy, who found them tugging at the opposite extremities of the pup.

The girls are neighbors and had been good friends till the pup came into their lives. Both girls wanted the dog. Helen got it and claims that Ruth stole it. Ruth says Helen gave it to her. Judge Dineen gave them 30 days each.
