## Gray Hair Quickly Goes Before the Touch of this Clean, Colorless Liquid

**The Original Color Perfectly Restored**  
It seems almost unbelievable that a liquid colorless itself can give gray hair its exact original color. But in Kolor-Bak, Science has given us just such a liquid and through its remarkable power, hundreds of thousands of people have quickly taken years from their appearance. Many report amazing results in a week.

No matter what the former color was, Kolor-Bak will restore it, and it will give the hair a beautiful natural gloss, renewed "life" and lustre, and make it soft, beautiful, "young" again. It gives a cool, refreshing sensation to the scalp—makes it clean and makes it feel clean. It is not sticky, greasy, mussy or unpleasant to use. It is just a clean, colorless liquid which is a proved substitute for the natural pigmentation. It is as easy to use as water.

Kolor-Bak is actually a scalp and hair tonic because of its cleansing, stimulating qualities which promote health and strength—thus aiding Nature to bring about normal condition of the hair. No need to furnish samples of your hair. The one clean, colorless liquid is for all hair. Several people whose hair was originally of different colors could use the same bottle of Kolor-Bak with equally satisfactory results.

**Write for Trial Offer, and Free Book on care of the hair. You pay nothing for Kolor-Bak if results are not satisfactory. Address Hygienic Laboratories, 204 S. Peoria St., Dept. 6312, Chicago, Illinois.**

## The very Newest Colors and Decorative Motifs—in NORMANDY VOILE

ONE of the many pleasant things about wearing a Normandy Voile frock is the confidence you can feel in its absolute smartness. Small or large designs—plaids or circles, dots or stripes or floral patterns—all have been created for their perfect adaptability to the newest of the Summer fashions.

The dots on Normandy Voile are guaranteed absolutely fast to wear and washing. They add just enough weight to the fabric to keep it from wrinkling and clinging.

The numerous poor imitations make it advisable to buy only when you see the words "Normandy Fabric" on the selvage, or a "Normandy Voile" label in the dress.
