

# FAGGED

What a story of suffering that one word tells. It says: "I am all tired out. It seems to me I can hardly take another step. I haven't a particle of ambition. I can't do half the work I feel I must do. I am weak, nervous, depressed, discouraged."

## That's Impure Blood

Now you know what the trouble is, you certainly know the cure,—a perfect Sarsaparilla. "Sarsaparilla" is simply the name of the medicine, for in a perfect Sarsaparilla there are a great many remedies. Some act by taking out the bad; others, by putting in the good.

You want a Sarsaparilla that will make your blood pure this spring, a Sarsaparilla that will make it rich and strong, a Sarsaparilla that is a powerful nerve tonic. You want the strongest and best Sarsaparilla that can be made.

## That's AYER'S

"The only Sarsaparilla made under the personal supervision of three graduates: a graduate in pharmacy, a graduate in chemistry, and a graduate in medicine."

"Last July my oldest daughter was taken sick, and I was on my feet, it seemed to me, night and day for weeks taking care of her. I had no other help than that which my husband gave me, and by the time daughter began to mend I was down sick myself. I was discouraged, and did not care much whether I lived or died. My husband got me a bottle of Ayer's Sarsaparilla, and its effects were magical. Two bottles of this medicine put me on my feet and made a well woman of me."—JANE M. BROWN, Bentonport, Iowa, Jan. 19, 1900.

# Spring Body Cleaning

Every spring you clean the house you live in, to get rid of the dust and dirt which collected in the winter. Your body, the house your soul lives in, also becomes filled up during the winter with all manner of filth, which should have been removed from day to day, but was not. Your body needs cleaning inside. If your bowels, your liver, your kidneys are full of putrid filth, and you don't clean them out in the spring, you'll be in bad odor with yourself and everybody else all summer.

DON'T USE A HOSE to clean your body inside, but sweet, fragrant, mild but positive and forceful CASCARETS, that work while you sleep, prepare all the filth collected in your body for removal, and drive it off softly, gently, but none the less surely, leaving your blood pure and nourishing, your stomach and bowels clean and lively, and your liver and kidneys healthy and active. Try a 10-cent box today, and if not satisfied get your money back—but you'll see how the cleaning of your body is

Some one recently showed ex-Speaker Reed a copy of a Manila paper in which appeared this paragraph: "The difference between 'Tom' Reed and 'Billy' Mason is that when 'Tom' Reed says he will resign he resigns."
