## A BLIND MAN

Is one who fails to profit by experience, even though he has use of both eyes without the aid of glasses. Time and again people buy clothing that is half made and containing mostly "Shoddy and Flock." Remember that three years among you has taught you that we carry no satinet goods in the house; what you buy of us is reliable and made by the best equipped factories in the in the country. Our prices are the lowest named for good goods; we carry no other.

### COLEMAN.

Harvest is in full blast.  
W. M. Sharp was at the ranch of Joseph Allen on the Willow when the whirligig passed that point.

When the hurricane kid bobbed up, a good many made a dive for their cellars—and the storm never got within five miles of them.

The Arapahoe nine played a splendid game on the McCook grounds, last Tuesday; The McCook team turned out and watched them.

Matt Droll is threshing out Deacon Moran's wheat crop on the South Side; he has 122 acres and it is averaging thirty-eight bushels per acre. It is irrigated wheat.

Bert Wales turned in for dinner, Wednesday, and when near the stable on the Philipp Blatt farm the horses became tangled up in some wire and began to kick; they got Bert down and ran away, dragging some wire over him, cutting his hand pretty badly. The doctor stitched up the cuts and Bert is resting up till the wounds heal.

With reference to the kid hurricane that waked the natives, last Monday afternoon: Lewis Minary, who lives on section 10-4-31, says it started near the north-west corner of said section and traveled north-east. About five miles away is the fine home of George Brown; it took a straight course for the house, but when within a short distance, it veered just a little to the north and passed between the house and barn, which are about ten rods apart. About four rods north of the house is a cave, in which Mr. Brown and his family, Thomas Whitmer and J. N. Smith were safely escoced; they looked up the ventilator right into the machine. It kept north-east to Frank Hackencamp's where it turned a little north. At Casper Hackencamp's it tangled up some wire fence; then turned more north and went near the residence of Joseph Allen on the Willow; in his feed lot it scattered a self-feeder and took off half the roof of one of his stock sheds, and left it on the hill on the east (or north-east) side of the creek. Its path was about five rods wide. After it passed along there was a shower of dirt and trash, but no water. It moved so slowly that one walking fast could keep out of its way. The above facts were secured from those who were right near at the time; John N. Smith was right under it as it passed over. It started about eighteen miles from McCook and never got nearer than fourteen or fifteen miles of the city, and yet one excited fellow rushed out to West McCook to keep from following Elijah.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. McConnell & Berry.

### REDWILLOW.

The grasshoppers seem to be growing beautifully less.

Miss Maggie Kummer has been quite ill, but is now better.

Miss May Stangland has been engaged to teach the south school in Dist. 72.

Mrs. Canaga has recently returned from Herndon, where she has been visiting her daughter, Mrs. Rowland.

Wm. Byfield and family spent the Fourth in Boulder, Colorado, most of the family returning the 5th. Mrs. Byfield and Roxa spent the 5th in visiting the prominent rabbitry of Denver, and getting hare pointers as well as making a valuable purchase ahead for their hare-em.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspeptics to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief. D. W. Loar.

For burns, injuries, piles and skin diseases use DeWitt's Witch Hazel salve. It is the original. Counterfeits may be offered. Use only DeWitt's. D. W. Loar.

One Minute Cough cure is the only harmless remedy that produces immediate results. Try it. D. W. Loar.

### Age of Musical Celebrities.

A French writer notes that though a few great musicians have died young—to wit, Mozart, at thirty-five; Schubert, at thirty-one; Bellini, at thirty-three; Mendelssohn, at thirty-eight, and Weber when he was but forty—a large number have lived to be very old men. Those who died between sixty and seventy years of age include Bach, Von Bulow and Rubinstein. Living beyond seventy came Gluck, Gounod, Handel, Liszt, Meyerbeer, Rossini, Spontini and Wagner, while the great age of eighty-nine was attained by Auber, and others. Dying at more than eighty were Cherubini, Cramer, Lachner, Palestrina, Rameau, Schutz and Taubert. The average age of musical celebrities is about sixty-seven years.

### NORTH COLEMAN.

Gardens which furnished abundance early are nearly used up.

It is very hot and dry and the largest corn is suffering for rain.

Grasshoppers are more numerous in spots than the writer has ever seen them.

The season has thus far very peculiar: such a fine prospect for the farmer at times, and then again so discouraging.

There will be an all-day meeting in the grove at Spring Creek, next Sunday, commencing at 10 o'clock a. m. Basket dinners.

Harvesting is progressing; the grain is short and will not yield much. Some that would have been cut was driven into the ground by hail. Some are continuing the cultivation of corn, hopeful of raising some of that crop.

A small cyclone passed north-east, last Monday at about two o'clock, which was viewed by many. It struck a vacant sod house about one mile north of the Osborn post-office, shattering it. Continuing on it struck G. W. Groves' stable, granary and wind-mill, shattering them. Mr. Groves' house not being in the path of the cyclone escaped. The cyclone continued until it reached Spring Creek, where it died out.

### White Man Turned Yellow

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 50c. Sold by McConnell & Berry, druggists.

The man who gets on in life is the one who knows when to stand fast.

### It Saved His Leg

P. A. Danforth of La Grange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklin's Arnica salve wholly cured it in five days. For ulcers, wounds, piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by McConnell & Berry, druggists.

The blusterings of the infidel are the winds of a tempest-tossed heart.

### The Appetite of a Goat

Is envied by all whose stomach and liver are out of order. But such should know that Dr. King's New Life Pills give a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and great energy. Only 25c at McConnell & Berry's.

The Bible in the head will suffocate a man unless it is in the heart, too.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. McConnell & Berry will refund your money if you are not satisfied after using it. It is everywhere admitted to be the most successful remedy in use for bowel complaints and the only one that never fails. It is pleasant, safe and reliable.

Every man deceives himself more successfully than he deceives others.

The law holds both the maker and the circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Witch Hazel Salve risks your life to make a little larger profit. You can not trust him. DeWitt's is the only genuine and original Witch Hazel Salve, a well known cure for piles and all skin diseases. See that your dealer gives you DeWitt's Salve. D. W. Loar.

Mix all your grief with gratitude and it will taste of the latter.

### NOTICE.

Notice is hereby given that whereas, while in session June 16th, 1900, the report having come to the attention of the county commissioners of an accident of rather a serious nature, caused by horses becoming frightened at a sign or advertisement attached to a bridge on a public road in this county, the commissioners deem it a duty they owe to the traveling public to notify all parties who have signs painted or tacked on in any way attached to any bridge in the public highway in this county to remove the same without delay.

The Best Remedy for Stomach and Bowel Troubles

"I have been in the drug business for twenty years and have sold all proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of Cholera Morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form." For sale by McConnell & Berry.
