The City Election.

McCook's city election, Tuesday, was a simple matter of form. But one ticket in the field-the Republican ticket-and with no issue of great importance before the people, the interest was small and the vote correspondingly light. The entire Republican ticket was elected: Mayor, C. E. Eldred; councilmen, W. S. Perry in the First ward and R. M. Osborn in the Second; clerk E. J. Wilcox; treasurer, A. C. Ebert; engineer, L. C. Dole; members of the board of education, R. B. Archibald and E. H. Doan.

The joker was in evidence, and there were a number of scattering votes, especially on the head of the ticket.

. THE TRIBUNE believes that our city has fallen in good lines and that we shall in the new year have a continuance of the good government we have enjoyed during the past year.

A Rare Treat

In the form of a lecture is in store for the people of McCook on April 16th. Mr. Will M. Maupin will deliver his lecture, entitled, "The Wit and Humor of the Bible," at the Christian church. Mr. Maupin will deliver this lecture at a number of different points in the state and all who are interested in the study of the Book will be glad to get this opportunity to hear him. Crowded halls have greeted him in Omaha and other cities, and we are sure our people will appreciate a lecture along Biblical lines, which gives to the Bible an added beauty and interest.

Adults 25 cts., at the door; children, 15 cts. Tuesday, April 16th, at 8 p. m.

Follows Her Aged Husband.

There is something pathetically sweet and providential in the fact that the death of one member of a long and happy union frequently soon results in the decease of the one remaining on the shores of time, and that those so long companions here are not long separated hereafter.

An instance in point is the death of Mrs. Eliza Stone, wife of the late Will iam T. Stone, at her home over in Driftwood precinct, Monday morning about six o'clock, just one week after the death

The deceased was in her 80th year, and the shock of the death of him who had been her companion in all the vicissitudes of a long and eventful life-they had been married over fifty years-at once confined her to bed and death came sweetly on Monday morning.
