### Scours in Cotts and Calves.

For a young calf or colt from a day to a month old give one teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy in half a gill of water as a drench after each operation of the bowels more than natural; usually one dose is sufficient. For older animals it may be given in the feed. Thousands of valuable animals are saved by it each year. This remedy is just what you should take yourself when troubled with diarrhoea. For sale by McConnell & Berry.

You have observed, no doubt, that when you want to do a thing, someone who has a "pull" with you, objects.

### An Honest Medicine for Lagrippe.

George W. Walt, of South Gardner, Me., says: "I have had the worst cough, cold, chills and grip and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and grip have all left me. I congratulate the manufacturers of an honest medicine." For sale by McConnell & Berry.

When the mother of a family is sick enough to go to bed, the children usually come down with some disease.

Prof. Ivison, of Lonaconing, Md., suffered terribly from neuralgia of the stomach and indigestion for thirteen years and after the doctors failed to cure him they fed him on morphine. A friend advised the use of Kodol Dyspepsia Cure and after taking a few bottles of it he says, "It has cured me entirely. I can't say too much for Kodol Dyspepsia Cure." It digests what you eat. McConnell & Berry.

### Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. A. McMillen.

It can be quite truly said of the boot legger of prohibition states that he has snakes in his boots.

Does It Pay to Buy Cheap?  
A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, secures easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Get Green's Prize Almanac. A. McMillen.

The first hint that she is getting old is given to a woman by her milliner, and then she begins to trade somewhere else.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough. McConnell & Berry.

Wood yields one-fourth the heat of coal, charcoal about the same heat as coal.

Counterfeits of DeWitt's Witch Hazel Salve are liable to cause blood poisoning. Leave them alone. The original has the name DeWitt's upon the box and wrapper. It is a harmless and healing salve for skin diseases. Unequaled for piles. McConnell & Berry.

When a man is made confidential clerk, his wife quits buying postage stamps.

The stomach controls the situation. Those who are hearty and strong are those who can eat and digest plenty of food. Kodol Dyspepsia Cure digests what you eat and allows you to eat all the good food you want. If you suffer from indigestion, heartburn, belching or any other stomach trouble, this preparation can't help but do you good. The most sensitive stomach can take it. McConnell & Berry.

### PROSPECT PARK.

George King spent Sunday at Spring Creek. John Sly lost a very valuable cow in the storm. Everyone is encouraged by the big snow storm. Miss Julia Sly spent the spring vacation at home. On account of the bad weather the literary has been postponed. Some of the farmers in this neighborhood are complaining because they haven't got all of their wheat sown.

If troubled with rheumatism, give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cents. McConnell & Berry.

When a man past forty hears the word "middle aged" he shies like a town horse when it sees a harvesting machine.

Roosters often crow over eggs they did not lay. Same with people who sell an imitation Rocky Mountain Tea, made famous by the Madison Medicine Co.'s advertising. 35c. Ask your druggist.

Milliners say some women "think" and "look around" three weeks before buying a hat.

Their promptness and their pleasant effects make DeWitt's Little Early Risers most popular little pills wherever they are known. They are simply perfect for liver and bowel troubles. McConnell & Berry.

The only involuntary muscle composed of red or striped fibers is the heart.

Bridges rivers, tunnels mountains, builds cities, gathers up the scattered rays of one's ability. That's what Rocky Mountain Tea does. 35 cents. Ask your druggist.

## Pretty Children

"We have three children. Before the birth of the last one my wife used four bottles of MOTHER'S FRIEND. If you had the pictures of our children, you could see at a glance that the last one is healthiest, prettiest and finest-looking of them all. My wife thinks Mother's Friend is the greatest and grandest remedy in the world for expectant mothers."—Written by a Kentucky Attorney-at-Law.

MOTHER'S FRIEND prevents nine-tenths of the suffering incident to childbirth. The coming mother's disposition and temper remain unruffled throughout the ordeal, because this relaxing, penetrating liniment relieves the usual distress. A good-natured mother is pretty sure to have a good-natured child. The patient is kept in a strong, healthy condition, which the child also inherits. Mother's Friend takes a wife through the crisis quickly and almost painlessly. It assists in her rapid recovery, and wards off the dangers that so often follow delivery.

Sold by druggists for \$1 a bottle.

### BARTLEY.

Everyone is happy over the snow. Prof. Hendee has a brother visiting him. Jabob Kern moved his family, Tuesday, into the Begtistol property. Rev. Howard P. Young was circulating among friends, this week. The Richie brothers have a fine driving team and they are justly proud of it, too. Our county commissioner, Maurice Reddy, was shaking hands on our streets, Friday. Ino. Long's baby is much better and the family will join Mr. Long, early next week. Dr. J. E. Hathorn is home from the legislature and ready to take up his extended practice. Will Cowles of McCook spent Sunday, with his family at Frank Hodgkin's hospitable home. Austin Wilson has a fine hatch in his incubator and as it was the first he is proud of the result. S. W. Clark has a new incubator and is getting ready for work. His black Langshans are beauties. R. F. McKillip's sale of blooded cattle took the crowd, Tuesday. We understand the stock sold well. A camp of the Royal Neighbors, with twenty-three charter members was organized here, last Saturday night. A party is making arrangements to go to Oklahoma, in a few days. We are sorry to lose any of our young men. Curlees are planning for a big display and opening sale, Saturday. This is the formal opening of this fine department store.

The city election resulted in the election of Wm. Hamilton, Wm. Lyman and R. S. Baker to our town board. The election was very quiet.

Ed. Lohr returned from his western trip, one day last week, and is now busy hunting ducks. He will soon return to his work with the B. & M.

Jas. Finnegan came in on No. 12, Tuesday morning. He has a position in the water service of the B. & M. Funk, Neb., was needing his services.

The Wymores lost their little five-year-old daughter with spinal fever, last Monday night. Arrangements are not yet completed for the funeral. The community extends sympathy.

A merry party of Woodmen visited the forest of Indianola and attended camp there, last Monday night. Indianola camp knows how to have fine initiation work. The neighbors report a fine time.

Take Rocky Mountain Tea. See it exterminate poison. Feel it revitalize your blood and nerves and bring back that happy, joyous feeling of boyhood days. 35c. Ask your druggist.

See that you get the original DeWitt's Witch Hazel Salve when you ask for it. The genuine is a certain cure for piles, sores and skin diseases. McConnell & Berry.

Holton Longnecker is rapidly gaining health and strength.

The sympathy of the community is with Mr. Sexson in his bereavement.

The meeting and Sunday-school are kept up at the church, notwithstanding high snow-drifts.

Mrs. Jacob Longnecker and Wm. Meyers expect to give their respective classes an Easter supper at the home of Mr. Myers on next Saturday night.

Owens Longnecker has been rather unfortunate. Some weeks ago, Johnny Harrison, his horse, Owens and his wheel figured in a mix-up which caused Owens to carry a "bi-cycle face" for some days. Now it is a snow-sunburn which passes description in point of color and size.

IN MEMORIAM.

When Mr. Stansbury left us, a few months ago, his peaceful leaving seemed a fitting close to a long and blameless life, giving an example of a Christian's triumph over trials borne and difficulties overcome, so we could truly feel, "There is no Death, what seems so is transition, but when his devoted daughter, Mrs. E. A. Sexson, so soon followed her father, the manner and sadness of her passing was stunning and hard to realize and be reconciled. Mrs. Sexson was an earnest Christian; she was a superior woman, educated and refined, she was capable of taking a prominent part in the world's work, but backwardness kept her from it. Very reserved, she failed to reveal the pureness of heart, high purpose, the depth and nobility of character which was shown only to those who knew and loved her best. She was a friend and lover of young people, a kind neighbor, a large-hearted grandmother, but the little ones can no longer see grandma watching for them; a true mother, a devoted wife. She is released from suffering—is at rest—and the peaceful face as it lay in the flower-covered casket is a beautiful remembrance to those who saw, for they knew that, "He giveth His beloved sleep."

Living in Tents.

There are families and remnants of families in Galveston, proud people, and once well-to-do, who lost their homes, their furniture, everything in the storm, and by necessity live in tents. Some of them have been so proud they would not go to the committee for money sent for their relief, and have only taken their share when it has been forced upon them.

BANKSVILLE.

Harvey Rowland was in our town, Tuesday. Thomas Relph of Cedar Bluffs was here on Wednesday.

J. H. Relph made a trip to Cedar Bluffs, Kans., through the snow, Saturday, after feed.

On account of the storm there was no preaching at the school-house, last week. An effort will be made to organize a Sunday-school, this month.

This past month was a record-breaker for stormy and severe weather in this vicinity, but stock stood it without loss, although considerably reduced in flesh.

### INDIANOLA.

This community has been plunged into sorrow by word from New Mexico of the death of Guy Lamborn, who was beloved by all. The remains will be shipped here and the funeral will take place on Sunday. Captain Lamborn and family have the profoundest sympathy of all in this great sorrow.

At a meeting of Indianola chapter, Thursday night, the Royal Arch degree was conferred on J. H. Phelps and S. A. Austin of Wilsonville and William Sandon of Danbury. A big feast followed the conferring. McCook lodge was represented at the meeting by a delegation of nine members: J. W. Hupp, F. M. Rathbun, C. B. Gray, J. H. Artz, J. A. Wilcox, A. E. Petty, Sylvester Cordeal, J. F. Jernberg, G. W. Willetts.

Sarah Lutecia Stansbury was born in Mt. Pleasant, Iowa, November 3, 1848. She was converted when about eighteen years of age and joined the M. E. church of which she has been a faithful member up to the time of her death. She was married to E. A. Sexson, October 31, 1877. On March 24, 1901, she died at Lincoln, where she had gone for medical treatment and to undergo a surgical operation from which she never rallied. The saddest part of all was that her husband was not present with her at the time of her death. This was due to the fact that he did not receive word in time to be present when the operation was performed. The remains were brought to Indianola and the funeral services held at M. E. church on Wednesday, March 27, conducted by Rev. C. A. Norlin, Rev. J. C. Calhoun of the Congregational church assisting. The beautiful floral tributes represented, in a measure, the esteem in which Mrs. Sexson was held by her friends and neighbors. Mr. Sexson and family have the sympathy of a large number of friends in this their hour of bereavement.

NORTH COLEMAN.

The reported sick ones are well again but J. D. Osborn is pretty sick with kidney trouble.

The ground is soaked with water; snow, slush and mud are abundant; foggy and damp weather, also; and farming at a standstill.

The boys had another rabbit chase in the snow, last Saturday, slaughtering between forty and fifty. Some of the boys were so hurt by the dazzling snow that they could not leave the house for two days, their eyes being affected so badly; tears flowed freely.

When you are bilious, use those famous little pills known as DeWitt's Little Early Risers to cleanse the liver and bowels. They never gripe. McConnell & Berry.

The rural death rate in England is 16 in every 1,000; in towns it is 18.
