W. C. BULLARD & COMPANY.

Saved at Grave's Brink.

"I know I would long ago have been in my grave," writes Mrs. S. M. Newsom, Decatur, Alabama, "if it had not been for Electric Bitters. I suffered untold agony from the worst forms of indigestion, waterbrash, stomach and bowel dyspepsia. But this excellent medicine did me a world of good. Since using it I can eat heartily and have gained 35 pounds. For indigestion, loss of appetite, stomach, liver and kidney troubles Electric Bitters are a positive, guaranteed cure. Only 50c at McConnell & Berry's drug store.

Home for Families of Bandits.

Not actuated by remorse, but by pure philanthropy, Jim Jenkins, hunter of outlaws, has concluded to devote all his money to the maintenance of a home for the orphans and widows of men he has run to earth, in particular, and of criminals of the great Southwest in general. Jim Jenkins, now of Kansas, is now 65 years old and has spent forty years as a scout and hunter of bandits and train robbers. In this way he has made about \$50,000. Among the distinguished outlaws he has chased were Jesse James and his brother, Bob Ford, Bill Dalton and Bill Cook, while he was the leader of the band that caught Cherokee Bill in 1895. In the Dalton raid in Coffeyville, Kas., Jenkins was shot eight times. He estimates his bag of bad men at about 150. The home, which is being built on a 5,000-acre farm owned by Jenkins, near Pryor Creek, I. T., is to cost \$20,000.—Buffalo Express.

There are few ailments so uncomfortable as piles, but they can easily be cured by using Tabler's Buckeye Pile Ointment. Relief follows its use, and any one suffering from piles can not afford to neglect to give it a trial. Price, 50 cents, in bottles, tubes 75 cents. A. McMillen.

Milk Attracts Disease Germs.

Place a jug of milk near fish for a few hours and there will be a fishy flavor about it. In this same way that milk is susceptible to odors, so it attracts disease germs; diphtheria, typhoid fever, etc., are often contracted in this manner. This is not always due to carelessness, for these bacilli are in the very air we breathe. The only true safeguard when contagious disease is about to sterilize the milk.

A Million Voices

Could hardly express the thanks of Homer Hall, of West Point, Iowa. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption and writes—"it completely cured me and saved my life. I now weigh 27 lbs." It is positively guaranteed for coughs, colds and lung troubles. Price 50 cents and \$1.00. Trial bottles free at McConnell & Berry's.

BANKSVILLE.

Much news froze too solid for use. J. H. Relph is putting in some of his time hauling the children to school.

B. W. Benjamin faced the storm on the 16th, making the trip to McCook.

The cold snap let up on the 18th instant. It has been the longest period of the kind known or remembered by the writer since living in Nebraska. It lasted about fifteen days and the lowest register of the thermometer noted here was 14 degrees below zero. The mail-carrier failed to come on the 14th, but came on the 16th—a colder and stormier day than the 14th.

Don't Do It.

Do not take Dr. Caldwell's Syrup Pepsin unless you have constipation, indigestion, sick headache or some other form of stomach trouble, such as dyspepsia, biliousness or heartburn, for these are what it is guaranteed to cure. Sold by A. McMillen.

Have you a cold? A dose of Ballard's Horehound Syrup at bed-time will remove it. Price 25 cents and 50 cents. A. McMillen.

Dr. Caldwell's Syrup Pepsin is pleasant to take. It is a pleasant laxative. Sold by A. McMillen.
