

HOW A BEAUTIFUL WOMAN ESCAPED SPRING CATARRH BY USE OF PE-RU-NA.

Nothing Robs One of Strength Like Spring
Catarrh-Spring Fever is Spring Catarrh.

MISS HELEN WHITMAN.

Miss Helen Whitman, 308 1/2 Grand avenue, Milwaukee, Wis., writes:
"There is nothing like Peruna for that tired feeling, which gives you no ambition for work or play. After a prolonged illness, about a year ago I felt unable to regain my health, but four bottles of Peruna made a wonderful change and restored me to perfect health. As long as you keep your blood in good condition you are all right, and Peruna seems to fill the veins with pure, healthful blood. I thoroughly endorse it."

Have you got nerves? Well, you ought to have nerves. But they ought to be strong nerves, good nerves. Does your hand tremble? You are living too fast. Does your heart flutter at times? You had better call a halt. Americans live too fast. They crowd too much into a single day. They have too little leisure. The hospitals and insane asylums are filling up. The quiet, pastoral scenes of yore are becoming rare. It's time that we quit this sort of business.

Nervous Prostration.

Thousands of cases might be quoted in which Peruna has been used to rescue people from the perdition of deranged nerves, and put them on the good, solid foundation of health. The County Auditor of Erie County, New York, Hon. John W. Neff, in a recent letter written at Buffalo, New York, stated: "I was persuaded by a friend to try a bottle of your great nerve tonic, Peruna, and the results were so gratifying that I am more than pleased to recommend it."

A Spring Tonic.

Almost everybody needs a tonic in the spring. Something to brace the nerves, invigorate the brain and cleanse the blood. That Peruna will do this is beyond all question. Everyone who has tried it has had the same experience as Mrs. D. W. Timberlake, of Lynchburg, Va., who in a recent letter, made use of the following words: "I always take a dose of Peruna after business hours, as it is a great thing for the nerves. There is no better spring tonic, and I have used about all of them."

Catarrh in Spring.

The spring is the best time to treat catarrh. Nature renews herself every spring. The system is rejuvenated by spring weather. This renders medicines more effective. A short course of Peruna, assisted by the balmy air of spring, will cure old, stubborn cases of catarrh that have resisted treatment for years. Everybody should have a copy of Dr. Hartman's latest book on catarrh. Address the Peruna Medicine Co., Columbus, Ohio.

Mrs. Lulu Larmer, Stoughton, Wis., says:

"For two years I suffered with nervous trouble and stomach disorders until it seemed that there was nothing to me but a bundle of nerves. I was very irritable, could not sleep, rest or compose myself, and was certainly unfit to take care of a household. I took nerve tonics and pills without benefit. When I began taking Peruna I grew steadily better, my nerves grew stronger, my rest was no longer fitful, and to-day I consider myself in perfect health and strength. My recovery was slow but sure, but I persevered and was rewarded by perfect health."—Mrs. Lulu Larmer.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

How to Get Strong Nerves.

First, repair the injury already done to your nerves. The way to do this is to do exactly as did Mattie B. Curtis, Secretary of Legion of Loyal Women, Hotel Salem, Boston, Mass. She said in a recent letter: "I suffered for over a year with general weakness and debility manifested in severe headache and backache. I took four bottles of Peruna, and for two months have been entirely free from these maladies."

Mankind's Earliest Home.

The teaching of Max Muller that the human race was cradled in Northern India has been hitherto generally accepted. Muller determined the origin of a people by their language. The view now adopted by a number of ethnologists is that shown by the work of Prof. Hirt, who thinks that he can fix the primitive home of the Aryans in the territory north of the Carpathian mountains near the boundary line between Austria-Hungary and Russia, now occupied by Letts and Lithuanians.

Children Must Go Home.

Pupils in Michigan must hereafter go directly home after the close of school. The supreme court of the state has declared that such a rule is valid and may be enforced by the principal. Furthermore, if a principal sees fit he may enter a store and order the children he finds there to leave and go home, and the owner of the store cannot get damages on the ground that the principal has driven away trade and injured the business of his store.

Relics of Paganini.

Baron Attila Paganini, the grandson of the celebrated violinist, is going to leave to the town of Genoa all the many mementoes of the great Paganini. Of these there are great numbers. They include presents from many kings and emperors and copious valuable autographs from distinguished men of Paganini's time; also all the works, both edited and unedited, of the great violinist and several very valuable violins and other instruments—among other one very ancient one on which Paganini used to practice.

Let us cherish a sober mind, and take for granted that in our best performances there are latent many errors which in their own time will come to light.—Gladstone.

A Farmer's Good Story.

Velpen, Ind., April 6th.—Wm. O'B. Sullivan, a highly respected farmer of this place, tells a personal experience to show that there is still some genuineness and honest worth to be met with in this age in which so many frauds are reported.

"Yes, I have been humbugged," said Mr. Sullivan, "and when I was so ill with the Rheumatism, Kidney and Heart Trouble, I used a good deal of stuff that claimed to be remedies for these diseases only to find them worthless."

"But, as you know, I did find the genuine remedy after all and I had not been taking Dodd's Kidney Pills very long before I knew that they were an honest remedy that would do all and more than was claimed for them. They cured me, made a well man of me and I am now as sound as I ever was."

"I can testify that Dodd's Kidney Pills are a genuine remedy for Rheumatism and Kidney Trouble."

Booker Doesn't Know Music.

Pedro Tinsley, once a porte of a Northwestern parlor car, has resigned his position as vocal director of music at Tuskegee institute and will go back to railroad work. He gives as a reason that Booker Washington has "a little conception of music," and he brings forward evidence: "He wanted me to make the boys and girls there sing loud. I had a class of 400 voices and when they sang plantation melodies it was something fierce the way they would roll them out. No, Mr. Washington knows nothing about music."

THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

SOUTH OMAHA.

CATTLE—There was a very light run of cattle, and as all the packers had to have a few cattle the market ruled active and strong from start to finish. There were comparatively few beef steers in the yards and buyers started out early and bid strong prices for the desirable grades. In a good many instances sales were made that looked 50 to 100 higher than the same kinds brought yesterday. The light and handy weight cattle there were in good condition showed the most improvement. The cow market was also active and stronger and the better grades could be quoted 50 to 100 higher. The good handy weight heifers and also handy weight cows that were good and fat were picked up in a hurry. All kinds of cows and heifers, though, with the exception of canners sold to better advantage than they did yesterday. Bulls, veal calves and stags all sold at fully as good prices as were paid yesterday. There were very few stockers and feeders in the yards, and as the end of the week is at hand the demand was moderate. Anything strictly choice would probably have sold readily at steady prices, but the common and fair to good kinds were rather neglected, and, if anything, sold a shade lower.

HOGS—There was not a heavy run of hogs, but as other markets were quoted lower prices here also took a tumble. The market was slow in opening and the first sales were generally 50 to 100 lower than yesterday's average. As the morning advanced the market seemed to weaken, and by the time half of the hogs had changed hands buyers were bidding generally a dime lower. The light weight hogs sold mostly from \$7.10 to \$7.15. Medium weights from \$7.20 to \$7.25 and good heavy hogs from \$7.25 to \$7.35.

SHEEP—Choice western lambs, \$7.25 to \$7.50; fair to good lambs, \$7.00 to \$7.25; choice Colorado lambs, \$7.25 to \$7.50; choice light-weight yearlings, \$6.40 to \$6.75; choice heavy yearlings, \$6.75 to \$7.00; fair to good yearlings, \$6.50 to \$6.75; choice wethers, \$6.00 to \$6.40; fair to good, \$5.25 to \$5.60; choice ewes, \$5.25 to \$5.75; fair to good ewes, \$4.25 to \$4.75; feeder lambs, \$4.75 to \$5.25; feeder yearlings, \$4.25 to \$4.75; feeder wethers, \$4.00 to \$4.50; feeder ewes, \$3.00 to \$3.50; clipped stock sells about 50c lower than woolled stock.

KANSAS CITY.

CATTLE—Corn cattle steady to 10c higher; quarantine stuff strong; cows and heifers steady; stockers and feeders steady to lower; choice export and dressed beef steers, \$4.50 to \$5.20; fair to good, \$3.00 to \$4.50; stockers and feeders, \$3.25 to \$4.75; western fed steers, \$3.00 to \$3.50; Texas and Indian steers, \$2.75 to \$3.50; Texas cows, \$2.00 to \$3.45; native cows, \$2.00 to \$4.00; native heifers, \$3.15 to \$4.70; canners, \$1.50 to 2.45; bulls, \$2.25 to \$3.90; calves, \$2.50 to \$6.75.

HOGS—Weak to 1c lower; top, \$7.42 1/2; bulk of sales, \$7.27 to \$7.40; heavy, \$7.30 to \$7.42 1/2; mixed packers, \$7.25 to \$7.40; light, \$7.00 to \$7.27 1/2; yorkers, \$7.25 to \$7.27 1/2; pigs, \$6.10 to \$7.15.

Towns Along the Elkhorn Road Get Mail Facilities.

WASHINGTON—The general superintendent of the railway mail service Friday advised Senator Millard's secretary that in response to a petition filed by the senator before leaving Washington from citizens of Neligh, Antelope county, urging that additional mail service be forwarded to that office by the Chicago & North-western railroad freight train No. 2, and also that dispatch therefrom be arranged by train No. 28, the matter has been looked into, and it has been found possible not only to arrange for the additional exchange desired by the postoffice at Neligh, but also to furnish a like supply for the postoffice at Oakdale, O'Neill, Atkinson and Stuart, all of which are on the same line of railway.

ECZEMA

Psoriasis, Scalded Head, Milk Crust, Tetter, Ringworm, etc.

Speedily, Permanently and Economically Cured, when All Else Fails, by

Cuticura

The agonizing, itching, and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair, and crusting of the scalp, as in scalded head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

Complete External and Internal Treatment

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent to cool and cleanse the blood. This complete treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all other remedies and the best physicians fail. As evidence of the wonderful curative properties of Cuticura Remedies and of their world-wide sale, we quote from

The Hon. Mr. Justice Finnmore's Letter.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck, and on one limb. I was for several months under professional treatment, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dreadfully disfigured, and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies, and I gave them a thorough trial with the most satisfactory results. The disease soon began to disappear, and my hair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under her notice when a poor person is so afflicted, so that your remedies may be resorted to."
