

PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA.

Dr. M. C. Gee, of San Francisco, Says:
"Pe-ru-na is of Especial Benefit to Women."

ROBERT R. ROBERTS, M. D.

Robert R. Roberts, M. D., Washington, D. C., writes:
"Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."—Robert R. Roberts.

A CONSTANTLY increasing number of physicians prescribe Peruna in their regular practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients. Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as every one will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of the United States. F. H. Brand, M. D., of Mokena, Ill., uses Peruna in his practice. The following case is an example of the success he has through the use of Peruna for catarrh. Dr. Brand says: "Mrs. 'C.', age 28, had been a sufferer from catarrh for the past seven years; could not hear plain and had watery eyes. She came to me almost a physical wreck. She had tried the Copeland cures and various other so-called specialists, and had derived no benefit

from them. She told me she did not want to spend any more money on medicines unless I could assure her relief.

"I put her on Peruna and told her to come back in two weeks. The effects were wonderful. The catarrh down look she had when I first saw her had left her and a smile adorned her face. She told me she felt a different woman, her hearing was improved and her eyes did not trouble her any more.

"This is only one case of the many I have treated with your valuable medicine."—F. H. Brand, M. D. Catarrh may invade any organ of the body; may destroy any function of the body. It most commonly attacks the head,

nose and throat, but thousands upon thousands of cases of catarrh of the lungs, stomach, kidneys, bladder and other pelvic organs have been cured by Peruna.

Peruna is able to cure catarrh wherever it may be located by its direct action upon the mucous membranes. Catarrh means inflamed mucous membranes. Peruna acts at once to cleanse and invigorate the catarrhal condition of the mucous membrane no matter where it may occur in the body. Its action is the same on the mucous lining of the nose as on the mucous lining of the bowels. It cures the catarrhal inflammation wherever it may occur.

Dr. R. Robbins, Muskegoe, I. T., writes: "Peruna is the best medicine I know of for a cough and to strengthen a weak stomach and to give appetite. Beside prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and it fits so many cases."

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and suffering."

Wesley Peruna cures catarrh. The people say Peruna cures catarrh. Prominent men and women all over the United States from Maine to California do not hesitate to come out in public print to say that Peruna is what it is recommended to be, an internal, systemic catarrh remedy that cures catarrh wherever it may be located.

Dr. M. C. Gee's Experience.

Dr. M. C. Gee is one of the physicians who endorse Peruna. In a letter written from 513 Jones street, San Francisco, Cal., he says:

"There is a general objection on the part of the practicing physician to advocate patent medicines. But when any one medicine cures hundreds of people, it demonstrates its own value and does not need the endorsement of the profession."

"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of. I heartily endorse your medicine."—M. C. Gee, M. D.

Women are especially liable to pelvic catarrh, female weakness as it is commonly called. Especially in the first few weeks of warm weather do the disagreeable symptoms of female weakness make themselves apparent. In crisp, cold weather chronic sufferers with pelvic catarrh do not feel so persistently the debilitating effects of the drain upon the system, but at the approach of summer with its lassitude and tired feelings, the sufferer with pelvic catarrh feels the need of a strengthening tonic.

Peruna is not only the best spring tonic for such cases but if persisted in will effect a complete cure. Write for a copy of "Health and Beauty," written especially for women by Dr. Hartman. If you want to read of some cures also, write for a copy of "Facts and Faces." That will surely convince you that our claims are valid.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

To the housewife who has not yet become acquainted with the new things of everyday use in the market and who is reasonably satisfied with the old, we would suggest that a trial of Defiance Cold Water Starch be made at once. Not alone because it is guaranteed by the manufacturers to be superior to any other brand, but because each 10c package contains 16 ozs., while all the other kinds contain but 12 ozs. It is safe to say that the lady who once uses Defiance Starch will use no other. Quality and quantity must win.

THE LIVE STOCK MARKET.

Latest Quotations From South Omaha and Kansas City.

SOUTH OMAHA.

CATTLE—There was not a heavy run of cattle, but local packers seemed to be pretty well filled up for the week, and as a result they did not take hold with much life and started in from the beginning to pound the market. A liberal proportion of the receipts consisted of beef steers, and the buyers started in bidding generally a dime lower. Sellers wanted steady prices, so it was some time before many cattle crossed the scales. Packers refused to raise their bids, so that the bulk of the cattle had to sell at the decline. The cow market also suffered. Buyers said that if they could not get the cows a dime lower they did not want them, so the most of the offerings sold that way. The same was the way with steers, the handy weights of good quality sold to the best advantage, and in some instances were not as much as a dime lower. Bulls, veal calves and stags did not show much change from yesterday. About the usual conditions prevailed on the stocker and feeder market. Anything strictly choice sold about steady, but all others were slow and weak. The demand from the country has been in good shape all the week, so that speculators have carried over very few good cattle from day to day.

HOGS—There was not a heavy run of hogs and under the influence of a good local demand the market improved a little. Trading was fairly active and the market could safely be quoted strong to be higher. The bulk of the decent weight hogs sold from \$7.02 1/2 to \$7.07 1/2, with the choicer loads from \$7.75 to \$7.15. The lighter loads sold from \$7.00 down. There was not much change in the market from start to finish, though there was considerable unevenness in the prices paid.

The Railroads Are Enjoined from Discriminating. CHICAGO, Ill.—Judge Grosscup on Friday entered an order in the United States circuit court of appeals enjoining six railroad companies from discriminating against small shippers in the western territory.

The decision is especially important as being the first under the new Elkins law.

The government, according to the decision, is entitled to the injunction against the offending railroads under the interstate commerce act, as well as the Elkins law.

The ruling applies to fourteen railroads which were covered by proceedings instituted in the federal court. Six of these companies were defendant in the local court. The others are under the jurisdiction of the Kansas City federal court.

Home Duties

The real heroines of every day are in our homes. Frequently, however, it is a mistaken and useless heroism. Women seem to listen to every call of duty except the supreme one that tells them to guard their health. How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system unstrung? Irritability takes the place of happiness and amiability; and weakness and suffering takes the place of health and strength. As long as they can drag themselves around, women continue to work and perform their household duties. They have been led to believe that suffering is necessary because they are women. What a mistake!

The use of Lydia E. Pinkham's Vegetable Compound will banish pain and restore happiness. Don't resort to strong stimulants or narcotics when this great strengthening, healing remedy for women is always within reach.

FREE MEDICAL ADVICE TO WOMEN.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. She has helped hundreds of thousands of women back to health. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

For proof read the symptoms, suffering and cure recited in the following letters:

"DEAR MRS. PINKHAM:—I wish to express to you the great benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. My trouble was female weakness in its worst form and I was in a very bad condition. I could not perform my household duties, my back ached, I was extremely nervous, and I could not eat or sleep, and the bearing-down pains were terrible. My husband spent hundreds of dollars to get me well, and all the medicine that the doctors prescribed failed to do me any good; I resorted to an operation which the physician said was necessary to restore me to health, but I suffered more after it than I did before; I had hemorrhages of the womb that nothing could seem to stop.

"I noticed one of your advertisements and wrote you for advice. I received your reply and carefully followed all instructions. I immediately began to get stronger, and in two weeks was about the house. I took eight bottles of Lydia E. Pinkham's Vegetable Compound and continued following your advice, and to-day I am a well woman. Your remedies and help are a Godsend to suffering women, and I cannot find words to thank you for what you have done for me."—Mrs. LOTTIE V. NAYLOR, 1228 N. J. Ave., N.W., Washington, D. C.

"DEAR MRS. PINKHAM:—I write to tell you what Lydia E. Pinkham's Vegetable Compound has done for me.

"I was suffering with falling of the womb and could hardly drag about, but after taking five bottles of Lydia E. Pinkham's Vegetable Compound I was completely cured. I am now a well woman and able to do all my work.

"I think your medicine one of the best remedies in the world."—Mrs. J. M. LEE, 141 Lyndal St., Newc. stle, Pa.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound has done a great deal for me. I suffered so much from falling of the womb and all the troubles connected with it. I doctored for years with doctors and other remedies but received only temporary relief.

"I began taking your medicine, and had not taken it long before I was feeling better. My husband said that I should keep right on taking it as long as it gave me relief from my suffering, as I could not expect to be cured by one or two bottles. I did so and am now able to be on my feet and work hard all day, and go to bed and rest at night. Thanks to your Vegetable Compound I am certainly grateful for the relief it gave me. It is the mother's great friend. I would not be without it in my house, for when I feel tired or out of sorts I take a few doses and feel all right.

"I would recommend your medicine to all tired mothers, and especially to those suffering as I was."—Mrs. R. F. CHAMBERS, Bennet, Neb.

DEAFNESS CANNOT BE CURED by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.
