Cured of Chronic Diarrhoea After Ten Years of Suffering.
"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Barge of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by all druggists.
European rates are way down. If you wish to visit the old country, or have friends there wishing to come to this country, now is the time. Consult the ticket agent.
Brutally Tortured.
A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick of Colusa, Calif., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by L. W. McConnell, druggist.
The steel cage was moved up from the old county jail at Indianola, Sunday, and on Monday was again set up in the basement of the court house in McCook, giving the county a safe and suitable jail in the county seat.

The Elwood Bulletin speaks in very complimentary terms of C. E. Eldred's Fourth of July address: "— an able address by Hon. C. E. Eldred of McCook, which was an especially commendable feature of the program. Gifted in speech, from the start he filled the immense throng of people with enthusiasm, continuing throughout his masterly effort, and the sentiment of the hearers during the day broke forth in frequent praise of the effort of the gentleman to fill with patriotism the hearts of the people assembled before him."

Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. European Tattooers.
Tattooing is not by any means confined to savage peoples. There are races in Europe which make it a regular practice, and men, women and children bear on their bodies ornaments that are as ornate and queer, although not as extensive, as are markings on the bodies of the south sea savages.
These European tattooers are among the Albanians and Bosnians, who live in the famous and notorious Balkan peninsula.
