Hymenial. The home of Mr. and Mrs. G. H. Mershon in this city was the scene of a beautiful wedding festivity, Wednesday at high noon, wherein their only daughter, Miss Lena, was united in marriage to Mr. Floyd M. Berry of McCook. Rev. J. W. Taylor spoke the words which made them husband and wife, in the presence of only the immediate family of the bride and Miss Mae Pulver of Kearsaw, her life-long friend. After the ceremony was performed, and congratulations were offered, an elegant three-course dinner was partaken of, which was most heartily enjoyed by all. The bride was becomingly gowned in a cream mousseline de soie, trimmed in silk lace, while the groom wore the conventional black. The happy young couple left on Wednesday evening's train for a short visit with relatives in eastern Nebraska, after which they will return to McCook, Neb., where they will be at home to their many friends after October 15th, the groom being employed as a machinist in the B. & M. railway shops at that place. They have the congratulations and well wishes of everyone in the community.—Wilcox Banner.

Healthy Mothers. Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Bosch's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough racked consumptive. New trial bottles, 25c; large size, 75c. At all druggists.

A Cold Settled in His Kidneys. A. J. Jenness, 9201 Butler St., Chicago, writes: "I am a switchman and am out in all kinds of weather. I took a cold which settled in my kidneys and I was in bad shape. I tried several advertised remedies with no benefit, until I was recommended to try Foley's Kidney Cure. Two-thirds of a bottle cured me." Sold by A. McMillen.

Ayer's Sarsaparilla

Impure blood always shows somewhere. If the skin, then boils, pimples, rashes. If the nerves, then neuralgia, nervousness, depression. If the stomach, then dyspepsia, biliousness, loss of appetite. Your doctor knows the remedy, used for 60 years.

Returning from the Cuban war, I was a perfect wreck. My blood was bad, and my health was gone. But a few bottles of Ayer's Sarsaparilla completely cured me." H. C. DORRILL, Scranton, Pa.

Emergency Medicines.

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by all druggists.

After Missouri's Honors and Cup.

W. N. Rodgers of McCook, Neb., made a prize-winning exhibit of Herefords at the Kansas state fair. The car in which he took the fine animals to Topeka was decked with blue ribbons which had just been won at the Nebraska exhibition. In no way is the agricultural advancement of Nebraska better shown than in the remarkable development of the livestock industry. A few years ago Missouri's boasts in this regard were loud and prolonged. Nebraska's strides have been of such length that Missouri is in danger of losing the cup.—Lincoln Star.

Andy Goddard, an old-time resident of Indianola, but now of Maryville, Tennessee, is in town visiting friends after an absence of many years. Indianola has a ghost sensation, but the people are getting pretty tired and propose that his ghostship shall have a rest. It may be a long rest, too, if it meets the persons who are laying for it. Jacob Hillers and family left, Monday night, for California, where they will make their future home. They go in hopes that the change may b. of benefit to Mrs. Hillers, whose health is very poor. Negotiations were concluded, a few days since, by which Dr. Mastin takes the place of Dr. Neal at this place. We understand that Dr. Neal will go to Boise, Idaho, to continue the practice of his profession. A freight train was kept an unwilling prisoner at Indianola, Friday, from early morning until five o'clock in the afternoon waiting for the bridge gang to replace the bridge at Red Willow that burned that morning. The fire is supposed to have been started by sparks from No. 13 as she passed through in the night. The Old Settlers' Picnic held on the Willow, last week, was fairly well attended and thoroughly enjoyed by all. A camp-fire was in order and old scenes and reminiscences were talked over by the participants of olden times, after which a paper prepared by John Black was listened to with interest. The inner man (and woman) were not forgotten on this occasion and a good dinner was spread, of which all partook—and probably all voted, inwardly, that this was the very best hour of the day. Nellie Fuller, Denver—"My face was full of pimples and black-heads. Hollister's Rocky Mountain Tea has driven them away. People hardly know me, I'm looking fine. 35 cents. Tea or tablets. L. W. JUST IN TIME.

A motorman in Chicago ran his car onto the approach of an open bridge but stopped it with the fender actually overhanging the gulf below. He wouldn't want to repeat the experiment because the chances are that he'd never again have the same good fortune. Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and slight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition. Indigestion and other forms of stomach "trouble" are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food. \$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Proprietors, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness. "I have been suffering for about eight years," writes Mrs. H. Pierce, of Millington, Ky. "I have had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice I was hardly able to work, and you advised me what to do. I took nine bottles, five of 'Golden Medical Discovery,' four of 'Favorite Prescription,' also two vials of the 'Pellets.' Dr. Pierce's medicines will do all that you claim for them. Believe I would have been in my grave if I had not taken them." Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
