

When sister and I go to school-- says Tommy--we always feel proud of our Petty shoes. Oh! yes, we've both worn other shoes, but they don't stand the RACKET or feel or look the same or don't wear the same as Petty's shoes. Dad says he'll never buy any other kind again. These cost just \$1.75.

**Large Store Small Expense Small Profits**  
OUR drug store comprises everything found in a drug shop to meet the demand of our customers. It is of a quality that you do not find often in even the large city drug stores. Buyers here are absolutely sure that they are getting positively the best the market affords in every line of drug store goods. Because of our large store and small expense, we are successful in competing with the large city stores where they have big rents and heavy expenses to meet. Our prices are so low and the merit of our goods so great that it will pay you to go out of your way to come here.

The following is one of our offers:  
**Constipated? Here is a Free Cure.**

You have tried pills. You know by your own experience that a physic won't cure. Let experience show you what will cure. Constipation is the rotting of undigested food in the alimentary tube. This festering, rotting mass makes bad blood, which makes bad health. Constipation causes most sickness. It probably causes your suffering. Mull's Grape Tonic cures. It is not a physic or like anything else you have ever used. It is a tonic containing special properties of the grape which strengthens the digestive organs and enables them to do their work unaided and properly. No gripping. If it fails, your money will be returned. We know that Mull's Grape Tonic will cure you and, therefore, will give you a large sample bottle of the great remedy, if you have never taken it. We only ask that you use the contents of the first bottle as directed. You don't obligate yourself to buy any of the remedy.

**FREE COUPON**

Send this coupon with your name and address and druggist's name, for a free bottle of Mull's Grape Tonic to Mull's Grape Tonic Co., 600 Third Ave. Rock Island, Ill. Give Full Address and Write Plainly. The \$1.00 bottle contains nearly three times the 50c size.

This is one way we have of serving our customers. We are looking out for your interests as well as our own. Who else will do as much? COME AND SEE US.
