

A GREAT MEDICINE

BRINGS HEALTH TO THREE MEMBERS OF SAME FAMILY.

Cures a Wife's Debility After Malaria, a Husband's Rheumatism, a Daughter's Nervous Prostration.

"I have recommended Dr. Williams' Pink Pills to many people," said Mrs. Gossett, "because I have seen such good results, time after time, right in my own family. There are three of us who have no doubt about their merits. We do not need to take anybody's word on the subject for our own experience has taught us how well they deserve praise."

"It was just about ten years ago that I first read about Dr. Williams' Pink Pills, and bought my first box. I was at that time all run down, weak, nervous and without ambition. I had been doctoring all summer for malaria and stomach trouble. Everybody thought I was going into consumption, as my mother had died of that disease."

"Thanks to Dr. Williams' Pink Pills, I am now alive and hearty. I began to improve as soon as I began to take them, and when I had taken three boxes I was a well woman. Everyone wonders how I keep so well and am able to care for my home and six children without help. Dr. Williams' Pink Pills explain it."

"My oldest girl's health began to fail when she was about fourteen. She was nervous, complained of sharp pains in her head, would get deathly sick and have to leave the school room to get fresh air to revive her. I gave some pills to her. She took only a few boxes, but they cured her troubles, and caused her to develop into a perfect picture of health. Then my husband took them for rheumatism and found that they would cure that too. So you see we have all got great good from using them, and that is why we recommend them to others."

Mrs. Minnie B. Gossett lives at Uhrichville, Tuscawarra Co., Ohio, and is well known, as she has resided in the same neighborhood for more than thirteen years. Her story shows that a medicine which makes the blood sound and the nerves strong, overcomes a variety of diseases and should be found in every household. Dr. Williams' Pink Pills are sold by all druggists everywhere. They have cured anaemia, and all forms of weakness, also the most stubborn cases of dyspepsia and rheumatism. They are indispensable for growing girls.

Mean Old Bachelor Again.

It was an old bachelor who said that it was futile to discuss the question whether a genius would make a good husband. No real genius, he said, would ever marry.

EFFECTS OF PROSPERITY.

In the six years of the country's greatest prosperity, from 1897 to 1903, average prices of breadstuffs advanced 65 per cent., meats 23.1 per cent., dairy and garden products 50.1 per cent., and clothing 24.1. All these were products of the farmer and stockman who profited more than any other class of the community by these advances. The miner benefited 42.1 per cent by that advance in the average price of metals. The only decrease in the average prices of commodities in that period was in railway freight rates which decreased from .738 per ton-mile in 1897 to .763 in 1903, a loss of 4.4 per cent. The report of the Interstate Commerce Commission shows that the average increase in the pay of railroad employes in the period was a trifle above 8.5 per cent.

Beware of Ointments for Catarrh that Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood, and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free. Sold by Druggists. Price, 75c. per bottle. LEGISLATURE of NEBRASKA

A Synopsis of Proceedings of the Twenty-Ninth General Session.

HOUSE—The house on the 27th spent the afternoon passing the following bills: House roll No. 297, creating a railway commission; house roll No. 272, providing for making assessments and levies in irrigation districts; house roll No. 260, for the relief of G. A. Joslyn of Omaha, who complained of double taxation and threatened to remove from the state. It provides for the non-assessment of stock and property when the latter is all real estate and owned by the corporation; house roll No. 160, for the election of the South Omaha fire and police commission; house roll No. 327, for the compensation of the clerks of the district court; house roll No. 258, for the nomination and election of county commissioners at large; house roll No. 309, requiring county officers to report fees received to the county board; senate file No. 78, to regulate the sale of fish spawn to private persons by the state fish commission; senate file No. 63, to allow counties, cities and villages to foreclose tax sale immediately after sale; senate file No. 111, to provide a penalty of \$200 for each person convicted of the crime of adultery. The Cady railway commission bill was recommended for passage. It was amended to allow the legislature to fix rates. It has already passed the senate. Senate file No. 37, by Senator Sheldon, to allow the settlement of boundary disputes without the services of commissions, was recommended to pass.

SENATE—The senate passed these bills on the 28th: Creating the office of county controller of Douglas county and making that officer ex-officio city comptroller. Making the state pay for one bridge in each county should it be over 500 feet in length. Sections 630 and 631 in the civil code of the Compiled Statutes. These sections allow two trials for the recovery of real property when the party against whom judgment is rendered makes effective during that term. Appropriating \$5,000 to pay for bond of state treasurer. Allowing administrators, executors, etc., to give a surety bond and to charge the same to the estate. To prevent the marriage of cousins. The salary bill. In the afternoon the senate resolved itself into committee of the whole to continue its discussion of the appropriation bill. All of the committee amendment heretofore published were adopted except these. The committee recommendation that \$9,500 be appropriated for the pay of employes of the Deaf and Dumb institute at Omaha was increased to \$11,000. Appropriation for salaries at Hastings asylum was increased to \$76,000. The committee had cut this appropriation from this amount. Senator Cady attempted to get in an item for \$3,500 for a new building at the Grand Island Soldiers' Home, but his motion was lost. Breese wanted the senate to vote \$15,000 to pay a bounty for wolf scalps and the senate did it.

HOUSE—These bills were passed on the 28th: Making the offense for jug sale of liquor when the drink is delivered. Appropriating \$3,000 for a silver service for the battleship Nebraska. Empowering cities or incorporated villages to establish and operate their own heating plants. To abolish slot machines, making violation of the act a felony, punishable by not less than one nor more than three years in the penitentiary. Providing that over-payments of taxes made to the state auditor by counties shall not be applied upon the account of such county for any year later than one year prior to the current year's tax. Imposing a fine of \$500 or a county jail sentence of six months for bribery or attempted bribery in the city councils contracting for paving materials. To provide for the appointment and the payment of assistants for clerks of the district court in counties having over 20,000 and under 60,000 population. To prohibit pooling of elevator concerns and to prevent a division of profits as is done by the independent elevator concerns.

HOUSE—These bills were passed on the 29th: Making the State Historical society custodian of state records, documents and historical material. Amending the law relating to the granting of mill dam sites. Requiring state banking corporations hereafter to establish a property-holding qualification. To punish jurors and referees for receiving bribes. Defining Nebraska's boundaries in case of dispute arising from the shifting of the current of the Missouri river. Amending the law relating to municipal electric plans in cities of the second class or incorporated villages. Declaring the hunting and killing of squirrels a misdemeanor. Providing a system of primary elections in Douglas county. (It had been the purpose to amend this bill so as to make it apply to United States senators, but it was advanced to third reading before the member having this amendment in charge had opportunity of presenting his argument.) Giving school districts in metropolitan cities the right of eminent domain. To define the boundary lines of Dakota county. Amending the code of civil procedure relating to the filing of transcripts of federal court judgment and decrees in the counties

of the state. Providing for the payment of costs in misdemeanor cases and suits to prevent crime and offenses. At the afternoon session two reports were submitted by the special committee appointed to investigate charges against Superintendent Stewart of the Institute for the Deaf and Dumb at Omaha. The majority report was adopted.

SENATE—The Jahnel bridge bill, house roll No. 255, was passed by the senate on the 29th with but one negative vote. Senator Vore opposing the bill. House roll 225, by Windham, was read for a third time and passed. This bill allows the district court to hold sessions in chambers. House roll No. 279, by Roberts, was passed. This allows railroads to lease right of way lands. House roll No. 219, by Burgess, was indefinitely postponed. This bill regulates warehouse charges and allows the sale of goods to satisfy bills. House roll No. 175 was recommended for passage. The bill regulates the payment of money by agricultural societies. House roll No. 359 was advanced to third reading. This bill is directed against newspapers, and seeks to prevent collections after the date of subscription has expired. House roll No. 286 was indefinitely postponed by the report of the standing committee. House roll No. 372 met a similar fate. House roll No. 47, by Gerdes, was recommended to pass. The bill gives more powers to village boards of health. House rolls No. 303 and 257 were indefinitely postponed. These bills gave authority to the state board to purchase supplies for the next session of the legislature. House roll No. 194 was read for a third time and passed. This bill, by Rouse, allows county treasurers to give surety bonds. House roll No. 174, by Andersen of Douglas, was recommended to pass. The bill defines the status of territorial soldiers. These bills were recommended for passage: House roll No. 304, giving Ruth Oberg of Douglas county permission to sue the school district. House roll No. 320, fixing sheriff's fees in Gage county. House roll No. 121, forbidding the wearing of badges of secret orders. House roll No. 265, permitting the sale of lands for right of way for irrigating ditches.

SENATE—These bills passed the senate on the 30th: A proposed constitutional amendment allowing legislature to create courts. Appropriation for farmers' institute and North Platte experimental station. Giving purchaser the right to recover money paid on contract of conditional sale, etc. A joint resolution memorializing congress to fix the status of the Nebraska territorial soldiers. Giving more power to boards of health in villages. Providing when a foreign insurance company is entitled to a certificate from the auditor to do business in Nebraska. Allowing executors to mortgage real estate. Agricultural associations of Lancaster and Douglas counties to receive financial assistance from county boards. Bounty for wild animals' scalps. To prevent newspapers from collecting subscription money after subscription has expired. For conveyance of interest of insane person to his or her spouse. \$12,000 appropriation for exhibition at Portland exposition. Providing for sale of school lands in ten-acre tracts to those holding lease. Providing a hospital for crippled and dependent children. Charging a fee for registering state warrants. Allowing cities of first class to grant franchises for electric light plants. Insuring grain in the stack. Providing how foreign insurance companies may secure admittance to the state. Allowing printing board to purchase supplies in bulk.

HOUSE—These measures were passed on the 30th: To amend the civil code relative to procedure in the district court. To quiet and perfect title to platted land in cities of the second class and villages. To amend the law relative to labor taxes in cities of the second class and villages. To amend the law relative to the canvassing of the vote cast at the general election. The negotiable instrument law. To authorize the county courts to dispense with the administration of estates free from debt and legal entanglements. To amend the law relating to the building of bridges across streams that form the boundary lines between two or more counties. To distribute funds heretofore paid into the county treasuries for free high schools. To authorize the use of voting machines in Omaha. Authorizing the land commissioner to dispose of exposition property. Amending the law to fix fees of clerks of district courts. To increase the salary of the chief deputy game and fish commissioners from \$1,200 to \$1,500 a year. To enforce the compulsory education law in school districts outside the cities. To provide for a 1 mill levy to be applied on the payment of the state's floating indebtedness. To prevent favoritism in the selection of grand and petit jurors. Authorizing the State Board of Public Lands and Buildings to lease state lands in certain cases. Making the bribery of jurors or referees a felony. Constitutional amendment for a railroad commission. To amend the code

of civil procedure relative to practice in district courts. To define and punish the crime of breaking and entering buildings.

SENATE—Next to the last day of the senate, March 31st, these bills were passed: To punish persons guilty of bribery and to define it. The Nebraska-South Dakota boundary bill. To allow the secretary of the State Board of Irrigation the use of a seal. Providing for the sale of school lands. Providing salaries for sheriffs. To make it unlawful to wear a lodge badge when not a member of the lodge. To wipe off of the books of the auditor tax charges against Hamilton county for 1891. To allow Ruth Oberg to sue school district No. 23 in Douglas county for damages alleged to have been received because of an accident which occurred on the school grounds. Exempting capital stock representing tangible property that is assessed in another state. To prevent changes in school sites without notice. Reserving a place in Wyuka cemetery for the burial of deceased inmates of the state institutions in Lincoln. Defining the rights of creditors of decedents. To prevent the sale of liquor within five miles of a government irrigation camp. To acquire the registration of automobiles. Increase in the road tax. Authorizing the state auditor to credit counties for over-payments. Authorizing the appointment of a district clerk in counties of less than 60,000 and over 30,000. Permits the appointment of county attorney in counties having less than 25,000 inhabitants. Fixing the salary for county assessors. To extend hotel keepers lien to keepers of boarding houses and restaurants. The deficiency appropriation bill.

HOUSE—All day on the 31st the house pounded away on dry routine—the passage of bills. It took a recess in the middle of the day of several hours, giving the senate time to act on a resolution to revive the fraternal insurance bill. These bills, among others, were passed by the house: Requiring trading stamps to be redeemed in cash when so desired. Refunding certain overcharges for maintenance of insane patients to Lincoln county. A reciprocal statute of limitation provision applying to cases arising out of the state. Requiring railroads to afford equal shipping facilities to all shippers and to apportion grain and live stock cars equally to grain elevators and stock shippers. Defining electors in irrigation districts and requiring a five-year residence in the district. Requiring depots on railroads to be opened one-half hour before train time. Defining and regulating method of selling school lands. Designed for relief of Boyd county school land squatters. Allows administrators to prosecute for trespass. Requiring the State Printing board to distribute biennial reports of state officers. Permitting appeal from county boards in road matters. Regulating child saving institutions and private orphan asylums. Permitting school levy to be 1 1/2 mills. Amendment permitting small cities to make their own charters. Regulating progress and movement of automobiles and traction engines on public highways. Raising the salaries of the members of the South Omaha fire and police board from \$100 to \$200 a year. Raising the salary of city engineer of South Omaha from \$1,200 to \$1,500.

BABY ONE SOLID SORE.
Could Not Shut Eyes to Sleep—Spent \$100 on Doctors—Baby Grew Worse—Cured by Cuticura for \$5.

"A scab formed on my baby's face, spreading until it completely covered her from head to foot, followed by boils, having forty on her head at one time, and more on her body. Then her skin started to dry up and it became so bad she could not shut her eyes to sleep. One month's treatment with Cuticura Soap and Ointment made a complete cure. Doctors and medicines had cost over \$100, with baby growing worse. Then we spent less than \$5 for Cuticura and cured her. (Signed) Mrs. G. H. Tucker, Jr., 335 Greenfield Ave., Milwaukee, Wis."

THE STRAIN OF WORK.

Best of Backs Give Out Under the Burden of Daily Toil.

Lieutenant George G. Warren, of No. 3 Chemical, Washington, D. C., says: "It's an honest fact that Doan's Kidney Pills did me a great lot of good, and if it were not true I would not recommend them. It was the strain of lifting that brought on kidney trouble and weakened my back, but since using Doan's Kidney Pills I have lifted 600 pounds and felt no bad effects. I have not felt the trouble come back since, although I had suffered for five or six years, and other remedies had not helped me at all."

Russia's Export Profits.
More than half of Russia's profits from exports come from the sale of grain.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 3/4-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 oz." Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.

Silver money 250 years old is still in circulation in some parts of Spain.

When Your Grocer Says he does not have Defiance Starch, you may be sure he is afraid to keep it until his stock of 12-ounce packages are sold. Defiance Starch is not only better than any other Cold Water Starch, but contains 16 ounces to the package and sells for same money as 12-ounce brands.

The genius works because he must; other people because they must eat.

BAD STOMACH

Attended with tainted, offensive, or foul breath, bitter taste, especially in the morning, furred tongue, sick or bilious digestion, flatulence, indigestion, sour stomach, "water brash," constipation with strong tendency to "the blues," or depression, are all relieved and radically cured by the faithful use of Dr. Pierce's Golden Medical Discovery. No man can be stronger than his stomach; when it gets out of order he becomes bilious, dyspeptic, hypochondriacal, peevish and "out of sorts"; he feels languid, tired and "all fagged out."

Nothing will more speedily or permanently invigorate and tone into action, liver and bowels than Dr. Pierce's Golden Medical Discovery. It is compounded from the active medicinal principles extracted from native medicinal plants, without the use of alcohol, not a drop of which enters into its composition. The benefit felt from its use is not, but cures, due to alcoholic exhilaration, and consequently of short duration, but is enduring and permanent.

The great majority of diseases have their inception in a bad stomach, indigestion, biliousness and impure blood. Among these diseases are deadly consumption, nerve-racking, brain-wrecking nervous prostration and exhaustion, body-torturing rheumatism, insanity-breeding neuralgia, emaciating malaria and all manner of disfiguring blood and skin diseases. Dr. Pierce's Golden Medical Discovery is a cure for all these diseases, if taken in anything like reasonable time. It is not a cure-all, but cures the diseases mentioned for the reason that they are caused and aggravated by the same disorders. It makes the appetite keen, the digestion perfect, the liver active, the blood pure and builds firm flesh and healthy nerve fiber. Don't be wheedled by a penny-grabbing dealer into taking something else said to be "just as good," only that he may make a greater profit. There's nothing "just as good" as "Golden Medical Discovery," with its record of cures extending over a third of a century.

A Great Sufferer Cured.

Dear Sir: My health is better now than it has been before for many years, and I owe to Dr. Pierce's Golden Medical Discovery a debt

of gratitude. I was, for several years, troubled with severe stomach trouble, sick headache and nervousness. Could not eat anything without experiencing the most agonizing pain. Had little appetite and was frequently nauseated. My sick headaches were most violent and I could not rest night or day. I became emaciated and thoroughly despondent, and no medicine that I could take seemed to help me at all. It was my father who suggested that I try your medicine and I am grateful to say that I have been taking "Golden Medical Discovery" less than five months when I was entirely cured, and can now eat anything without distress.

Cures When Everything Else Fails.

Dr. R. V. Pierce, Buffalo, N. Y.:
Dear Sir: I am happy to say that I have found Dr. Pierce's Golden Medical Discovery to be a most efficacious remedy for stomach trouble. For many years I could scarcely eat anything without being dreadfully distressed at once, and was apt to vomit the food. I used various medicines without good effect. Later I bought a bottle of Dr. Pierce's Golden Medical Discovery and it proved so satisfactory that I bought several more bottles of the medicine and used it until I was entirely well. That was about four months. You may count on me for a staunch friend to "Golden Medical Discovery," also to your sanitarium, which I know to be one of the best in the country.

When the "Golden Medical Discovery" is not quite laxative enough, as in obstinate constipation, the little, pleasant, sugar-coated "Pellets" should be taken to aid the "Discovery." One or two for laxative, two to four for a cathartic. They alone have been known to cure many bad cases of stomach trouble, dyspepsia and indigestion. They act on the liver and regulate the bowels. Put up in glass vials, corked, therefore, always fresh and reliable.

Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended—or with what—or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, strength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.

LION COFFEE is carefully packed at our factories, and until opened in your home, has no chance of being adulterated, or of coming in contact with dust, dirt, germs, or unclean hands.

In each package of LION COFFEE you get one full pound of Pure Coffee. Insist upon getting the genuine. (Lion head on every package.)
