WOMEN'S WOES.
McCook Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Real of a remedy for kidneys only that helps and cures the kidneys and is endorsed by the people you know.

Mrs. Eliza O'Dell, living in the northwestern part of McCook, Neb., says: "Previous to using Doan's Kidney Pills I suffered a great deal from kidney trouble. I had a dreadful aching across the small of my back and kidneys. I cannot begin to tell what misery I endured. I felt tired and worn out from morning until night and headaches and dizzy spells were frequently added to my afflictions. The kidney secretions were irregular and so frequent that I was obliged to rise many times during the night. They were also dark in color and if allowed to stand contained a heavy sediment. After trying many remedies without relief, I procured a box of Doan's Kidney Pills at McConnell's drug store. They soon banished the pain from my back and the kidneys were restored to their normal action. Doan's Kidney Pills completely cured me and I have not suffered any symptom of a recurrence for some time.

KEEP YOUR MONEY CIRCULATING

When you keep your money in your pocket, or hide it around your home you are doing just that much to retard the industrial growth of our community—this is a detriment to you as well as others.
When you keep your money in the bank it is safe, yet where it can be loaned to those who will use it for increasing and upbuilding of the business of the community—this means an increased property value in both town and country. If you want to be one of those who help build up and improve our town and surrounding country come in and start an account with us. The amount of your deposit is not so material as the fact of making a start in the right direction.
