

# THE PUBLIC AMAZED!

The GLAD NEWS is SPREADING to every HOUSEHOLD in McCOOK and VICINITY

The Bee Hive's High Grade \$12,000 Stock of Men's, Women's and Children's Fine Shoes, Gents' Furnishing Goods and Groceries still goes to a deeper cut for the final days of this great money-saving sale. Wednesday, our opening day, we were literally taken off our feet by the great throngs of eager buyers that crowded the aisles of the store from early morning till late at night. Never in the history of McCook was there such a genuine bargain feast of high grade merchandise. We can not advise you to strongly too be here as early as possible. The Bee Hive is going out of business no matter how big our loss; so tell your friends and let them benefit accordingly.

**CAUTION:** Owing to our extensive advertising, other stores may try to mislead you, but be sure you are right before you enter any store. Look for the big blue sign on our windows.

## REPUTATION

IS a legitimate asset in every up-to-date business man's capital and success. But reputation and success are only achieved by square-dealing and having and selling goods absolutely right. It is not enough to sell right—you must first buy right and be able to meet every demand of the trade. Through his cash system this is accomplished by
