

TO introduce fine materials, clean methods, scientific equipment into the making of soda crackers was one triumph—

To actually *bake into them* a subtle goodness, a real *individuality*, never before known, was another triumph—

But to effectually protect them so that the fullest benefit of these fine materials, this careful, cleanly baking, this unique goodness comes to you unaltered, was the crowning triumph that gave the world

BACK GIVES OUT.

Plenty of McCook Readers Have This Experience.
You tax the kidneys — overwork them — They can't keep up the continual strain. The back gives out — it aches and pains; Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills.
L. H. Seybold, living S. E. Cor. of Third St., and Railroad St., Kearney, Neb., says: "I can heartily recommend Doan's Kidney Pills to all sufferers of kidney complaint. This remedy acted strictly up to the representations in my case, and proved to be a kidney cure in every sense of the word. My work obliges me to do a great deal of stooping and lifting and also exposes me to inclement weather. These combined conditions probably caused my kidneys to become disordered and backache was the result. Though I did not take Doan's Kidney Pills as regularly as I should have done, they nevertheless benefited me greatly and I willingly give them my endorsement."
Plenty more proof like this from McCook people. Call at McConnell's drug store and ask what customers report.
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name — Doan's — and take no other.

After exposure, and when you feel a cold coming on, take Foley's Honey and Tar, the great throat and lung remedy. It stops the cough, relieves the congestion, and expels the cold from your system. Is mildly laxative.

30 YEARS OF SUCCESS.

L. W. McConnell Offers a Remedy for Catarrh. The Medicine Costs Nothing if It Fails.
When a medicine effects a successful treatment in a very large majority of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe us, or at least put our claims to a practical test when we take all the risk. These are facts which we want people to substantiate. We want them to try Rexall Mucu-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.
We receive more good reports about Rexall Mucu-Tone than we do all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucu-Tone is, it would be the only catarrh remedy we would have any demand for.
Rexall Mucu-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membrane tissues, to soothe the irritation and heal the soreness, stop the mucus discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.
We urge you to try Rexall Mucu-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucu-Tone in two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in McCook only at our store — The Rexall Store. L. W. McConnell.
It is a dangerous thing to take a cough medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes, and take only the genuine Foley's Honey and Tar in the yellow package. A. McMillen.
Try me and see how white I am. 91 Patent.
