John A. R. Swanson.  
John A. R. Swanson was born in Veanamoo, Sweden, June 6, 1887, and was baptized in the Lutheran church the same year. He came to America in 1892, and died at his home near Osburn, Nebraska, May 12, 1910, aged 22 years, 11 months and 6 days. There is left to mourn his loss a father, mother, sister and three brothers.  
John was a hard working young man of sterling qualities. He possessed that genial happy disposition that made everyone like him. He was well known in McCook, having been employed there for quite a while.  
The cause of his death was appendicitis. His illness was of short duration, about three days, and his death was a shock to his many friends. While on his sick bed he gave his heart to God, and died triumphant in the faith. One of his last utterances was, "Of course I would like to get well now, but if I go it is all right." All that medical skill and loving friends could do was done, but in vain, and near midnight, Thursday, he passed away.  
The funeral services were held in the Methodist church at Quick, Nebraska, Friday, May 13, at four p. m., conducted by Rev. F. C. Tyler, the company that assembled more than filling the church. His body is deposited in Garden Prairie cemetery, but his spirit, gone from us forever, waves the palm of victory, while his voice echoes the praise of Jesus. "Life over now; and the strong man, at last  
From earthly bond and strain forever free,  
Into that larger, grander life hath passed,  
To dwell forever, gracious Lord, with Thee."

Card of Thanks—We wish to extend our heartfelt thanks to the many friends who lent their aid and death of our loved one.

## Don't Miss Being Counted

The census enumerators in McCook, Elmer Kay and Claude Evans, have practically completed their work. Of course it has been impossible for them to catch absolutely everyone who should be counted. It is very important that every individual entitled to be should be enumerated. For the next ten years our city's population will be listed at the figure established now. You owe it to our city to help the enumerators catch every name. The blank below tells how you can do this. Act quick if you think yourself or some acquaintance has been missed.
