**MAKING BIG IMPROVEMENTS**

The Nebraska Telephone People Have  
Quite a Force Here.

Art Records is in the city with  
a force of eight men for the Nebraska  
Telephone Co., engaged in stretching  
about a mile of new cable for the  
company's telephone service in this  
city.

Eighty new numbers are being  
placed on the local switch board and  
extra equipment in the main frame  
at Central.

Next May the company will install  
another panel in the local switch  
board.

The improvements now under way  
by the company will mean the expendi-  
ture of about \$6,000.00, and will  
place McCook in the van of Nebraska  
cities of its class in telephone  
equipment and service.

**The Main Store

ceries, fruits, vegetables etc., you

**A NEW CLOTHING FIRM.**

A. Galusha & Son Buy the Drebert  
Clothing Co. Store.

Last Thursday the Drebert Cloth-  
ing Co.'s business was purchased by  
Galusha & Son of Lincoln, Nebraska,  
who at once assumed possession of the  
store.

A. Galusha, the senior member, is  
quite well known here, particularly by  
lodge men, as he has always taken  
great interest in all the Masonic  
bodies, and has been secretary of the  
finance committee of the Ancient  
Order of United Workmen of Nebraska  
for years.

They are both experienced clothing  
men, having been in the clothing busi-  
ness at Red Cloud for 20 years, and  
they propose to give McCook one of  
the leading clothing stores of the  
state.

Their plans will be unfolded from  
time to time in the columns of The  
Tribune.

**Fisher & Perkins Dissolve.**

Wednesday of this week the part-  
nership of Fisher & Perkins in the  
Model Shoe Store was dissolved by  
mutual consent. Mr. Fisher's health  
has been so undermined by confine-  
ment that he found it necessary to  
retire from business. He will re-  
main in the city, however, and in  
time may return to active business of  
some kind.

Mr. Perkins takes over the busi-  
ness and associates with him in the  
store Mr. Ed. Sawyer, the old re-  
liable chief clerk of the store, and  
the firm name will hereafter be Per-  
kins & Sawyer.

Accounts against the old firm of  
Fisher & Perkins will be paid by the  
new firm of Perkins & Sawyer. Ac-  
counts owing the old firm will be col-  
lected by the old firm at the store  
of the new firm.

The new member of the firm is  
a thoroughly experienced shoe man,  
and with Mr. Perkins will make a  
strong team in the business.

**TO SAVE LABOR  
TIME AND MONEY**

ous colorings of the most artistic

stock so you can get it the day  
you make your selection and further-  
more if you do not care to come to  
the store to pick out your paper we  
will be glad to send the sample books  
to your home where you can make a  
selection without the trouble of com-  
ing down town.

We guarantee satisfaction and will  
be glad to show you our wall paper  
samples.

McCook city school teachers seem  
to be in demand elsewhere over the  
state, and outside of the state as  
well.

In canned vegetables nothing choic-  
er can be purchased than the Flag  
brand. C. L. DeGroff & Co. sell  
them in McCook. All kinds.

**EDWARDS BROTHERS**

wish to thank their many patrons for  
their continued patronage and many  
favors since their opening about two  
months ago. While there have been  
times in the past when long waits  
seemed to be the order, yet it has  
been our intention to give the best  
service possible and we are glad to  
say the people of McCook have been  
very patient and have helped and en-  
couraged us greatly.

We have been able to engage a  
good, up-to-date meat cutter of ex-  
perience and will endeavor to give all  
the best service obtainable in Mc-  
Cook or elsewhere.

Two months ago we had price lists  
printed and some said at that time  
we could not sell at those prices and  
exist. We have now a new price list  
and would like you to compare the  
old with the new. You will find some  
things have been even lowered but no  
price has been raised.

We are now buying our beef stock  
from J. M. Somerville, southwest of  
McCook, who is corn-feeding about  
150 head for us. All of these will be  
fed from 50 to 100 days before using.  
Our hogs come a few at a time from  
the surrounding country and are never  
allowed to stay at the slaughter  
house before being killed, thus avoid-  
ing that taste which we all know  
so well.

Our standard is, quality first;  
cleanliness always.

You will find our delivery boy is  
as courteous and accommodating as  
can be found in the city.

We are selling at a pretty close  
margin now. As the price of live  
stock drops in grass time, we will  
show you prices which have not been

heard of in McCook for ten years or  
more.

It is not our intention to handle  
the whole meat trade of McCook, yet  
with the ice machinery and equip-  
ment which we will install we will  
be capable of handling everything for  
the next five years.

Instead of coming in next July or  
August and carrying home a piece of  
meat which has just been killed and  
cut up, you will be able to call for  
and get a piece of meat of any kind  
that will come out as cold as ice.  
Spoiled meat will be a thing of the  
past, as we will be able with our mod-  
ern, up-to-date methods and machin-  
ery to keep meat almost at a freez-  
ing point and to freeze it if neces-  
sary.

We feel that McCook is entitled to  
the best and that the best we can do  
will be none too good.

Those large, open-faced scales are  
another feature. The white, clean  
wagon another. We never use our  
meat wagon for anything else but  
hauling meat. No rubbish there.

Located at present time at 106  
South Main avenue. You will know  
the place because the doors are al-  
ways swinging. Phone 62.

Deliveries: Main town, 8, 9 and  
11 o'clock a. m.; East West and  
South McCook, 10 a. m. Afternoon—  
Main town, 3 and 5; East, West and  
South McCook, 4 o'clock. No more  
long waits, as we are now prepared.

Watch our front door and see the  
fur fly.

Again thanking you, we are yours  
for best meats.

**DELINQUENCIES AND RENEWALS**

Attention of Tribune subscribers is called to the fact that all  
delinquent subscriptions for the year 1910 must be paid at once.  
This the government's postal rules make imperative.  
As subscriptions are payable in advance, renewals for the year  
1911 should be sent in as promptly as possible. Kindly give  
this your attention.

**GAS PLANT SOLD MONDAY**

Bought in by Some of the Old Stock-  
holders of the Company.

Monday, as advertised, the McCook  
Gas Co. plant was sold, being pur-  
chased by members of the old com-  
pany, P. Walsh holding the property  
as trustee.

The Tribune is advised that the  
new stockholders will reorganize in  
the near future and that the com-  
pany expects to interest a practical  
gas man in the business, which will  
then be developed and improved.

There seems to be room here for  
such a plant and The Tribune hopes  
to see the business developed into a  
successful enterprise for the city.

**Many Enjoyed the Rosary.**

The Temple theatre last Saturday  
night was the scene of one of the best  
shows yet witnessed in that new play  
house. "The Rosary" has been loudly  
and thoroughly heralded, and they  
met every reasonable expectation. The  
play itself is different from anything  
before presented here—with a mark-  
edly accentuated religious and moral  
tend—and was wistful quite a relief  
from some of the frivolous stuff now  
before the theatre-going public. The  
cast was strong—the leading lady and  
Father Kelly making hits especially.  
All in all it may be listed with the  
best yet given here.

**Civil Service Examinations.**

An examination will be held in  
the High School building on February  
11th for clerks and carriers for the  
McCook post office. The civil ser-  
vice offers many advantages to the  
young man who is willing to work,  
Better investigate. Also an examina-  
tion will be held on April 4th for  
stenographers for all services in the  
U. S., Isthmian Canal and Philippines.  
Information and blanks may be pro-  
cured from E. J. Brady, Local Sec-  
retary, at postoffice.

**A New Milkman.**

McCook will have a new milkman  
next Monday morning when John Poh  
takes charge of the Markwad estab-  
lishment. This week he purchased  
the cows, wagon, cans, etc., from Mr.  
Markwad and will conduct the busi-  
ness hereafter, hoping to secure a  
share of the patronage of the people  
of McCook.

**Champion Corn Raiser.**  
John Herold, a Pawnee county  
farmer, holds the record for raising  
the largest amount of corn to the acre  
in Nebraska. He won the first prize  
at the corn show by producing the re-  
markable yield of 138 bushels and  
forty pounds of corn on it during the  
season of 1910.
