ONE OF NEBRASKA'S BEST.

Such Will Be the Bon Ton's New Soda Fountain.

About the 15th of April the Bon Ton expects to have in operation their new soda fountain which The Tribune has no hesitation in announcing will be one of the finest, costliest and most up-to-the-minute in the state of Nebraska, and without an equal in any Nebraska town outside the largest cities. This new fountain is a \$2,000 proposition, and has all the latest attachments of the metropolitan sort. It will be a credit to the enterprise of Mitchell & Rieder and to the city of McCook.

A BIG LANDSLIDE

Overwhelms the City Republican Ticket--None Escape the Common Fate.

PEOPLES' WATER TICKET WINS HANDS DOWN

Tuesday's Election Was One of the Political Surprises of Late Years--Municipal Ownership the Only Issue.

Tuesday's city election had but one issue in it, but that was potential enough to cause one of the most complete political revolutions in years. And this in the face of the fact, too, that the Republican ticket was one of the strongest ever nominated by the party in the character and ability of its nominees.

The Peoples' Water Ticket made a vigorous and enthusiastic campaign, characteristics which were lacking in the Republican campaign management and this in part accounts for the result, which was mildly sensational.

If the result can be reduced to a paragraph, this covers it: The people of McCook insist upon owning the water works of the city.

Failure to carry into effect the expressed will of the people of three years ago doubtless conducted to the result of Tuesday.

The vote shows that the people want municipal ownership and it now but remains to carry into effect their mandate on the most favorable terms the city authorities can secure, either by purchase of the existing plant or by building one of their own.

Following is the unofficial vote so far as it is available up to the hour of going to press—it not having been canvassed by the city council:

First Ward Vote.

For Mayor:
 W. B. Whittaker, R. 113
 James McAdams, P. W. T. ...198—85

For Clerk:
 E. O. Vahue, R.141
 Frank Traver, P. W. T.176—35

For Engineer:
 N. J. Campbell, R.149
 F. W. Deere, P. W. T.166—17

For Councilman:
 H. P. Waite, R.142
 W. A. Middleton, P. W. T. ...172—30

Second Ward Vote.
 For Mayor:
 W. B. Whittaker, R. 88
 James McAdams, P. W. T. ...177—89

For Clerk:
 E. O. Vahue, R.106
 Frank Traver, P. W. T.152—46

For Treasurer:
 L. Thorgrimson, R.252
 For Engineer:
 N. J. Campbell, R.111
 F. W. Deere, P. W. T.147—36

For Councilman:
 L. W. McConnell, R.108
 H. C. Brown, P. W. T.153—45

A landslide!
 Thomas Moore's majority over A. Barnett is given unofficially as 11.

A rain and a snow storm are unusual experiences for McCook in one week.
