AN UP-TO-DATE DRESS.

The fashion tendencies of the day are well illustrated in this trim yet graceful dress, for it cleverly combines many new style features, the neat simple lines now considered smartest, and a distinctiveness of its own. The deep collar, alike at front and back, hangs in easy, graceful lines almost to the waistline, which is of becoming height—a little above the normal; and the fashionable peasant sleeve has the

deep cuffs so generally liked. The skirt, too, a six-gored model, is unique and stylish, with panel front and back and short side gores lengthened by a pleated section. Poplin duchesse would be effective material to use, with broad satin or velvet for the collar and just a touch of solid-color velvet in the cuffs and the shoulder yoke, while for more general wear, a satin-finish prunella with a braid-trimmed velvet collar would serve excellently. And one may choose among a wealth of colors; for the delicate maize and peach, the deep raven blue, amethyst, chamouis, old rose, wisteria, the coronation colors, the changeable weaves, and innumerable others, old and new, all vie in charm and becomingness.

To The Point
MOORE'S NON-LEAKABLE FOUNTAIN PEN

While it is true that a good fountain pen will leak if properly cared for, it is also true that it is not always possible for the most careful to treat it as they ought, while the careless are in continual trouble. These leaking troubles are all obviated in Moore's Non-Leakable Fountain Pen. This pen is true to its name, it is air-tight and cannot leak. It is also clean to handle and clean to fill, and for these reasons is a favorite among the ladies, travellers and students, as well as among business men.
