### VAILTON VOICES.

EDITOR TRIBUNE:—We would like everybody to know that we are farming out this way. The corn is trying very hard to catch up with the sunflowers.

Willie Esher is the smallest in stature of any farmer in the community, but he has a crop that can not be beat by any in the county.

The picnic given by the Logan Alliance on the 20th was a grand success. Refreshments of the best quality in abundance and good music, but best of all was the good feeling manifested by the people among themselves, as well as the kind and courteous treatment they accorded to strangers. It would be well for all Alliances to imitate Logan Alliance in brotherly kindness. Quite a number of the Driftwood Alliance were in attendance, and we think some of the young people remained at the table fishing for pieces of lemon a little longer than was necessary. We heard one of the ladies of the Driftwood Alliance say that she was ashamed of them.

In conclusion we will say that we have had plenty of rain, so much that each farm has an irrigation ditch of its own. QUIN NUNO.

### Happy Hoosiers.

Wm. Timmons, Postmaster of Idaville, Ind., writes: Electric Bitters has done more for me than all other medicines combined, for that bad feeling arising from kidney and liver trouble." John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best kidney and liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength, good appetite and felt just like he had a new lease on life. Only 50c. a bottle at A. McMillen's drug store.

During the epidemic of la grippe last season Dr. King's New Discovery for Consumption, coughs and colds, proved to be the best remedy. Reports from the many who used it confirm this statement. They were not only quickly relieved, but the disease left no bad after results. We ask you to give this remedy a trial and we guarantee that you will be satisfied with results, or the purchase price will be refunded. It has no equal in la grippe or any throat, chest or lung trouble. Trial bottles free at A. McMillen's drug store. Large size 50c. and \$1.00.

### La Grippe Again.

Anna Bell was a Banksville visitor, Sunday. Wm. Tuttle had eight acres of corn to plant yet, Saturday.  
Five rainy days, last week. Ground too wet to cultivate to kill the weeds.  
Mulberries and cherries are the fruit desert of Grant and Gerver precincts.  
Corn is doing well. If the rains let up the fields will soon be cleared of weeds.  
A. M. Benjamin is cultivating T. W.'s tree claim. Nels Johnson cultivated W. S. Webber's 3 tree claim, last week.  
The Alliances on the south side have decided on a Fourth of July celebration on Dry Creek and have engaged speakers for the occasion. Gerver, Grant and Driftwood are interested in the picnic. Ousever.  
It is dangerous to tamper with irritating liquids and exciting snuffs. Use Ely Cream Balm which is safe and pleasant and is easily applied. It cures the worst cases of catarrh, cold in the head and hay fever, giving relief from the first application. Price 50 cents.
