

What is

# CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

### Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. Osmond,  
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

Dr. J. F. Kincheloe,  
Covway, Ark.

### Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. Ancker, M. D.,  
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

### NORTH DIVIDE HUBBINS.

Mr. and Mrs. Fred Carter were Divide visitors, recently.

An effort is being made to re-organize the North Divide Sunday School.

J. M. Henderson and family were visitors "down on the farm," Sunday last.

Uncle Billy will be busily engaged in taxidermy, the balance of the month.

A series of prayer meetings are being held at different places in this neighborhood.

A right jolly crowd amused themselves and entertained the writer, Saturday evening.

J. S. Modrell is expecting a car load of grain from Arcola, Illinois, which has been donated to him by relatives.

A number of the gentry of North Divide will take part in the Easter festivities at Box Elder and the gamut is being studied.

John Johnson is hustling around betimes and preparing a good sized patch of ground to be in readiness for planting corn.

A team and wagon, a long row of fence posts, a bundle of barb wire and Ben Johnson were more or less mixed up in a run-a-way, recently.

The services at the Box Elder M. E. church are drawing very large and appreciative audiences every Sunday, and Bro. Vivian is correspondingly gratified and happy.

On account of the scarcity of seed wheat and oats a very small acreage of either commodity is being sown in this vicinity. From all appearances corn will occupy the time and attention of the husbandmen, this season.

Three forlorn looking claps of the speckled-hen or hen-pecked variety, were seen meandering about this neighborhood, Sunday evening, laden with coats and blankets and evidently going to or returning from some place.

In response to a general "bid" to come and join in jollity, perhaps the largest and gayest company of young folks in many moons were gathered at the residence of ex-County Treasurer Doyle, one evening last week.

### NOW—THE TIME TO MAKE MONEY.

Last month I cleared, after paying all expenses, \$175.46; the month before, \$149.93, and have at the same time attended to my regular business. I believe anyone, anywhere, can do as well, as I have not a particularly good location and no experience. When you have an article that every family wants, it is very easy selling it. It seems strange that a good, cheap Dish Washer was never before placed on the market. With the Climax, which sells at \$5, you can wash and dry the dishes for a family in two minutes, without putting the hands in water; as soon as people see the Washer work, they want one, and that is why so much money can be made so quickly. For full particulars, address the Climax Mfg. Co., Columbus, Ohio. I feel convinced that any lady or gentleman, in any location, can make from \$5 to \$10 a day, as every family will very soon have a Dish Washer. Try it, and publish your experience for the benefit of others.

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

We understand that the owner of the tract known as the Palmer ranch will occupy the same in person the coming season.

We will note later arrivals in our next from both east and west. We truly hope this section will put forth and bloom as the rose, and that most speedily.

Mr. Dutcher has been an acute sufferer from a lame back, the past week, probably caused from a light tap from a falling limb of a tree he had just cut.

Not a great deal of farming in this locality yet; we notice some wheat being sown, however, and others preparing to sow as soon as the spring opens more favorably.

The closing exercises in district 72 were successful in every sense of the word, and reflected great credit on the teachers, Misses Stangeland and Rittenhouse.

Mrs. William Byfield was quite badly bruised up, Tuesday morning, by being thrown from the wagon during a run-a-way. Miss Dubarko was also slightly injured.
