Frank Brayton, of the firm of Brayton & Jackson, has been quite ill with quinsy since last Friday. No serious results are anticipated. L. L. Bivens is clerking at the Red Front during Mr. Brayton's illness.

We want a correspondent in every precinct in Cherry county who will send us the news of his or her locality at least once a month—often if possible. We offer inducements to correspondents. Write us about it.

Indications point to a large attendance at the meeting of the Stock Association here next Saturday.
Any one in need of wind-mills or pumps will save money by seeing me before buying. G. CARLSON.
D. E. Sherman has resigned his position with C. R. Watson as drug clerk, and will go into the cattle business.
It is expected that water at the artesian well will commence flowing soon. Indications are good at 2,100 feet.
What is the matter with reorganizing the band? We have sufficient talent in town to perfect a good organization.
Selden, the tailor, is doing a good business in the Stillwell building. He went down the road Saturday to deliver some work.
When you have anything in the line of commercial job work that you want done in a neat and workmanlike manner, try this office.
Main street needs filling in several places. It's nice to see water standing in the holes, but strangers are apt to become disgusted with the town.
Mrs. Josie Frush has opened a restaurant in Perry Lawson's old stand on Main street. We hope she will obtain the success she deserves.
The Fort Niobrara boys are preparing for a great day May 4, one week from Monday. Bicycle races, foot races, jumping matches, etc., will form the day's sport.
We are informed that Dr. McChesney's appointment as Indian Agent to succeed Geo. Wright has been confirmed, and that he will probably take charge of the Agency about July 1.
The recital to be given here next Tuesday evening by the Chicago Lady Quartette will be the greatest musical treat of the season, and you can't afford to miss it. The advance sale of seats insures a large attendance.
According to biographers this is the 332d anniversary of the birth of William Shakespeare. As William was never recognized as an equal by the society leaders of Valentine his birthday is not being observed to any great extent.
J. Mogle was down from Cody on business Monday. While here he had bills printed announcing that on May 1 he would sell all his personal property at auction. Mr. Mogle will move to Lincoln to look after his property interests there.
R. M. Faddis was up from Pass on business the first of the week, and gave us a pleasant call. Mr. Faddis is an old-line, straight-out Democrat, and one of Cherry county's most prosperous ranchmen. He intends going to Colorado and New Mexico after a bunch of cattle the first of May, and will bring them overland from Julesburg.
The town board should pass an ordinance to have a sidewalk constructed on Virginia street east from Main street to connect with the walk to the Methodist church. Also on Main street from Virginia to the Episcopal church. Not only are the streets unsightly, but during wet weather, such as we have been having, they are well nigh impassable. One needs to be a good Christian indeed to wade in water all the way to church.
Northern Star Chapter No. 59, O. E. S., will assemble in regular session Friday evening, May 1st, promptly at 7 o'clock to meet Associate Grand-Matron Minnie H. Crites. All Masons and their families are cordially invited to meet at Masonic Hall at 8:30 p. m. to meet the associate grand matron and enjoy the literary exercises and banquet to be given by the ladies.
EMMA L. YEAST, Pres.
MAGGIE WAGGOTT, Sec.

Capt. Craigie, of Co. D, 12th Inf. had a runaway last Sunday while on his way to the Agency and sustained a compound fracture of the left limb just above the ankle by being thrown from the buggy. The Captain laid on the prairie for five hours before the Post surgeon reached him with the ambulance, and his nerve was shown by the jokes he cracked at his own expense while his limb was being dressed.
Democrats Were Far Apart.
Papers are alleging that this notice was recently found posted on the walls of a deserted homestead in the arid region of Kansas: "Four miles from a neighborhood, sixteen miles from a postoffice, twenty-five miles from a railroad, fourteen miles from a school house, forty-one miles from a church, 180 miles from timber, 200 miles from a democrat, half a mile from water, a quarter of a mile from—gehenna—and the same distance from a republican. Gone to Nebraska, which is God's country, to get a fresh start."

Kindergarten Entertainment.
At Cornell Hall, Saturday, April 25. Doors open at 7:30 p. m. Admission 25cts; children 15cts. Proceeds to go to the Christian Home at Council Bluffs, Iowa.
This is neither a state nor denominational institution, and is supported wholly by voluntary contributions. Homeless and orphan children and aged people are tenderly cared for, under the best of Christian influences, and when whole families of children are received at the Home, Dr. Lemen, the founder and manager, never suffers them to be separated. This rule is highly commendable, and surely makes the institution worthy of generous patronage. Attend the entertainment and we are sure the little ones will try to please you.

District Court.
Not much interest is manifested in the term of district court now in session. No important cases are being tried, except the Sedlacek cattle stealing case, which is occupying the attention of the court as we go to press. Court adjourned over yesterday on account of Arbor Day. J. S. Davison was appointed counsel for the county in the Thatcher tax case, also to defend Henry VanLeer against the charge of shooting with intent to kill. The Ash divorce case went over. Court will probably adjourn to-morrow.

Pacific Short Line.
Passenger leaves O'Neill Neb. at 10:05 a. m., immediately after arrival of train from Black Hills, reaching Sioux City at 2:35 p. m., saving three hours time. Lowest rates. Purchase local tickets to O'Neill and rebuy there.

SCHOOL COLUMN.
EDITORS: CHARLES WELLFORD, CHARLES COOK.
Some of the pupils in the High School showed their knowledge of history, grammar and parliamentary tactics last Friday afternoon in the debate, Resolved, That Lincoln should receive more credit from the people than Washington. The scholars did themselves credit, especially Miss Edith M. Stark, on the negative, whose eloquence surpassed everything ever heard before in this school. She stated nothing but facts and had an abundance of literature to confirm such while the opposing side could produce no evidence to substantiate their few statements.
The Ninth Grade pupils are having examination in arithmetic.
The Tenth Grade is taking up etymology.
H. O. Tucker, who has been reviewing some of the higher branches of work, has decided to leave school on account of urgent duties on the farm. We are sorry to lose such a genial character from the school, but the void has been filled by one whose name we dare not mention in this column.
Five trees were planted by the scholars yesterday and on a vote by the High School were named Anderson, Washington, Lincoln, Morton and Good. [Not Bob.—Ed.]

Don't Be Deceived.
The Pacific Short Line train leaves O'Neill daily except Sunday immediately after arrival of train from Black Hills. Saving two hours time to Sioux City. Connections made without fail.

Church News.
Christian Endeavor topic for Sunday evening will be "Choose the Good Part," found in Luke 10:38-42; Matt. 6:31-34. Last Sunday a splendid meeting was held, and interest in C. E. work seems to be increasing.
Service in the M. E. church next Sunday at 11 a. m. and 7:30 p. m. Epworth League at 6:30 p. m. Prayer meeting Thursday evening at 7:30. All are cordially invited. O. L. Ramsey, pastor.
Bishop Anson R. Graves preached at the Episcopal church Sunday morning, delivering a powerful sermon to a congregation which tested the seating capacity of the church to its utmost. Confirmation and communion services were held, Misses Edna Dwyer and Lena Colegrove being received into the church. The Bishop held services at Fort Niobrara Sunday afternoon and evening, and confirmed five persons. Monday morning he and Rev. Bates drove to Kennedy. Regular services at the church May 3, one week from Sunday.

Brown County Democrats.
AINS WORTH, April 18. [Special.]—The Democrats of Brown county met in mass convention here to-day to elect four delegates to attend the state convention at Lincoln April 29th. The convention was called to order by the chairman, A. G. Holt. Committees on permanent organization and resolutions were appointed and then there was a recess of fifteen minutes. This time was occupied by appropriate speeches, the first person called upon being Robert Martin, a Democrat of the Jeffersonian stripe, and his allusions to the statesmanship of Grover Cleveland were greeted with resounding cheers. The committee on resolutions reported the following:
Resolved, That we believe in sound money and the issuance of gold and silver at such ratio as will maintain the parity of the two metals.
Resolved, That we endorse Grover Cleveland in the wise and patriotic stand he has taken to protect our national treasury, thereby keeping our credit superior to that of any other nation.
Resolved, That we believe the Cubans should be recognized as belligerents.
Resolved, That we believe the next President will be a Democrat.
The resolutions were adopted and three cheers given for Democracy. A. G. Holt, Robt. Martin, J. D. Cook and Jerome Alexander were elected delegates to the state convention.
