Bennett & Lord have a strong force at work and so have most of the stockmen. It is a pleasure to see the valleys filled with feed. This is evident that stock will not go hungry when winter comes.

The social given by the ladies of the church Saturday evening was a grand success, and reflects much credit upon those who were in charge. The genial auctioneer, C. W. Bennett, had no trouble in disposing of all ghosts on hand at good prices. He says he would rather sell ghosts than go to Klondike. After all the gentlemen who could do so had secured partners, supper was served and if you don't believe a ghost can eat attend a social of that nature. When supper was over numerous games were played which amused both young and old. Mr. and Mrs. Morgareidge have the thanks of all for the use of their residence for the occasion. All present seemed to enjoy themselves and departed at 2 a. m. If want to make a success of anything give the ladies charge of it.

It is reported that the decision of Judge Westover on the special election case has been severely criticized by men not of his political faith, but this paper is inclined to think that there is nothing in the report. The question decided by the judge was in no way a political one, and those who attempt to make politics out of it are partisans of too deep a dye to be reliable. The report is simply a straw man set up by partisans who desire the pleasure of knocking him over.

The Rushville Recorder has once more changed hands, E. E. Shackelford a life-long newspaper man and a resident of Nebraska since 1870, having purchased the plant and good will of the paper. We wish him success.

The man has never yet lived who could conduct a country newspaper for even a fortnight without making some enemies, but in a vast majority of cases these dislikes occur over imaginary grievances or trifling wrongs which ought never to have been given even a passing notice.—Gordon Journal.

## IT'S DANGEROUS

To buy SCALES, guaranteed "AS GOOD AS FAIRBANKS" for less money; they can't be made. Don't buy, unless you get the best. A cheap scale is the most expensive investment you can make; it is unreliable, and means that sooner or later you must buy again. Buy only a genuine, latest improved FAIRBANKS which will last you a lifetime, and prove the cheapest in the end. No one can then dispute your weight. BEWARE OF IMITATIONS!
