Right Now In June.

Month o' roses, and picnics, and graduation, and concerts and lawn fetes, and all sorts o' thing. And why shouldn't the buyer of fine ready-to-wear clothing have the privilege of buying seasonable clothing now just as cheaply as a couple of months later in the season.

Our "Right Now Bargain Sale."

We are offering you the finest there is in the clothing line at prices that others will offer you at the fag end of the season. In other words, you get the pick of the line and wear your purchase two or three months during its proper season, and pay no more than the man who buys three months later, when the season is over.

Room For Thought Here.

Briefly our business policy is this: "A fair margin of profit at all times, no 'bargain sales' brought by marking up the first of the season and coming down later, and one price to all, regardless of season." We aim to make every purchase a bargain for the customer.

From \$10.00 to \$40.00.

We carry the finest lines of clothing and furnishings purchasable. In our "Bradford" line of clothing we have something not excelled anywhere at any price. The brand "Bradford" is a synonym for excellence. We could exhaust the superlative adjectives without overstating our confidence in this line. And we have others equally good in price values.

Everything That Men and Boys Wear.

We can outfit the man or the boy from head to foot. And we call the especial attention of organized labor to the fact that we can do it with union made articles, too.

If You Want June Bargains In June Instead of In September or October, See Us About It.

If you want to see the swellest line of Men's Furnishings in Lincoln, you'll have to call on us.
