## PAYS FULL PENALTY.

Chester Gillette Executed in Auburn Prison.

Chester E. Gillette paid the full penalty for the brutal murder of Grace Brown. He went to his death in the electric chair at the Auburn (N. Y.) prison without a sign of weakness and with the same lack of emotion which has characterized him from the day he was arrested charged with the crime. Gillette appeared to have been fully reconciled to his fate, and in a statement given out by his spiritual advisers immediately after the execution it is indicated that he had made a confession of his guilt. This statement was signed by the Rev. Henry McIlvray of Little Falls and the Rev. Cordello Herrick the prison chaplain, who had attended Gillette since he has been in the death cell. It follows: "Because our relationship with Chester Gillette was privileged we do not deem it wise to make a detailed statement and simply wish to say that no legal mistake was made in his electrocution."

Gillette himself, so far as the public was concerned, never admitted his crime. His last word, in the form of a statement which he prepared with painstaking care, was made public after he had been put to death. In this statement Gillette implored young men to lead Christian lives.

## YOUNG WOMAN SENT TO JAIL.

Miss Estelle Taylor Pleads Guilty to Passing Forged Checks.

Estelle Taylor of Galesburg, Ill., arrested some months ago on the charge of passing forged checks, pleaded guilty to obtaining money by false pretenses and was sentenced to 10 days in the county jail. The sentence was imposed by Judge Kersten in spite of the request of the seven complaining witnesses that she be released. Miss Taylor graduated from the law department of the University of Minnesota. She passed a number of forged checks last winter while attending Northwestern university at Evanston.

## HORNE WILL ENTER ASYLUM.

Gen. Richard C. Horne, who was acquitted last week of the charge of murdering H. J. Groves, managing editor of the Kansas City Post, an evening newspaper, was taken to St. Joseph. Gen. Horne will enter the State Asylum for the Insane. Horne was acquitted of the murder of Groves at the time of the shooting. Another charge pending against Horne, that of assault with intent to kill O. D. Woodward, a theatrical manager, formerly of Omaha, was dismissed.

## PROF. F. W. WOLL

of the Agricultural Experiment Station of the University of Wisconsin, in an official bulletin No. 151, says of Stock Foods:

First—They are no benefit to healthy animals when fed as directed, either as to increasing the digestibility of the feed eaten, or rendering it more effective for the production of meat, milk, wool, etc.

Second—They are no benefit as cure all for diseases of the various classes of live stock, neither do they possess any particular merit in case of specific diseases or for animals out of condition, off feed, etc., since only a small proportion of ingredients having medicinal value is found therein, the bulk of the foods consisting of a filler which possesses no medicinal properties whatever.

Third—Exorbitant prices are charged for these foods.

Fourth—By adopting a liberal system of feeding farm animals and furnishing a variety of feeds good results may be obtained without resorting to stock foods of any kind. If a farmer believes it is necessary to feed stock food at times, he can purchase the ingredients \* \* \* and make his own stock foods at a fraction of the cost charged for them by the manufacturers. He will then have the additional satisfaction of knowing what he is feeding and of feeling a concentrated food instead of one largely diluted with non-medicinal ingredients.

Don't spend \$2.50 when 50c will do the work.

Make your own stock foods by using Skidoo Horse and Cattle Tablets. Crush and mix in feed or salt. Proper dose in tablets. Make your stock look like top price.

For Horses, Cattle, Sheep, Swine and Poultry. They are made from the condensed essence of the drug. They don't contain Sawdust, Ashes, Chop Feed or Bran. **Elects Democratic Mayor.**

Des Moines held its first municipal election under the new commission form of government, and elected A. J. Mathis (Dem.) mayor. The result was an overwhelming defeat for the candidates who had been nominated in the primaries by the friends of the new commission form of government. A. J. Mathis, a former police judge, was one of the vigorous opponents of the new plan at the time of its adoption, and his majority over the commission plan candidate will exceed 3,000. The union labor vote was a large factor in the opposition victory.

## LANGUID AND WEAK.

A Condition Common with Kidney Trouble and Backache.

Mrs. Marie Sipfle, 416 Miller St., Helena, Mont., says: "Three years ago my back grew weak and lame and I could not stoop without a sharp pain. It was just as bad when I tried to get up from a chair. I was languid and listless and had much pain and trouble with the kidney secretions. This was my state when I began with Doan's Kidney Pills. They helped me from the first and four boxes made a complete, lasting cure."

Sold by all dealers. 50 cents a box. Foster-Milburn Co., Buffalo, N. Y.

## BUT WAS IT THE SAME MELON?

Paper Carried by Darky Amounted Almost to Perpetual Permit.

"A negro just loves a watermelon," said Representative Johnson of South Carolina. "Strange, too, that when a policeman sees a negro with a melon at an unreasonable hour he has it right down that the darky has stolen that watermelon. I heard a story about a policeman who met a negro in the early hours of the morning, and he had a big melon on his shoulder. 'I see you have a melon there?' 'Yes, sah,' answered the darky. 'I see got er melon; but I pefered fer you, sah,' and pulling out a paper he handed it to the officer, who read: 'This bearer of this is O. K. He paid me ten cents for the melon, and he is a pillar in the church. James Elder.'

'You are fixed,' said the officer. 'Dat's what I loved,' answered the negro, and he moved on."—Washington Herald.

## How Her Life Was Saved When Bitten by a Large Snake.

How few people there are who are not afraid of snakes. Not long ago a harmless little garter snake fell on the wheel of an automobile which was being driven by a woman. The woman promptly fainted and the car, left to its own resources, ran into a stone wall and caused a serious accident. The bite of a poisonous snake needs prompt attention. Mrs. K. M. Fishel, Route No. 1, Box 40, Dillsburg, Pa., tells how she saved her life when bitten by a large snake.

"On August 29, 1906, I was bitten on the hand twice by a large copper-head snake. Being a distance from any medical aid, as a last resort I used Sloan's Liniment, and to my astonishment found it killed all pain and was the means of saving my life. I am the mother of four children and am never without your Liniment."

## Nor Fire Nor Water.

Secretary A. M. Downes of New York's department of fire, related at a dinner a fire story.

"At the end of the first act of a drama," he said, "a man leaped hurriedly to his feet. 'I heard an alarm of fire,' he said. 'I must go and see where it is.' 'His wife, whose hearing was less acute, made way for him in silence, and he disappeared. 'It wasn't fire,' he said, on his return. 'Nor water, either,' said his wife, coldly."

## PRESCRIBED CUTICURA

After Other Treatment Failed—Raw Eczema on Baby's Face Had Lasted Three Months—At Last Doctor Found Cure.

"Our baby boy broke out with eczema on his face when one month old. One place on the side of his face the size of a nickel was raw like beefsteak for three months, and he would cry out when I bathed the parts that were sore and broken out. I gave him three months' treatment from a good doctor, but at the end of that time the child was no better. Then my doctor recommended Cuticura. After using a cake of Cuticura Soap, a third of a box of Cuticura Ointment, and half a bottle of Cuticura Resolvent he was well and his face was as smooth as any baby's. He is now two years and a half old and no eczema has reappeared. Mrs. M. L. Harris, Alton, Kan., May 14 and June 12, 1907."

## A Popular Game.

"Where have yez been this evenin'?" asked O'Riley of O'Toole.

"Sure, I have been playing 'Bridget whist,'" said O'Toole.

"Bridget whist? an' how do yez play that?"

"I sit in the kitchen vid Bridget, an' ate pie an' cake an' chicken, an' whin Bridget hears the missus comin' she says 'whist.'"

## \$16 AN ACRE REALIZED ON CROP IN WESTERN CANADA.

## ANOTHER FARMER REALIZES \$22.50 PER ACRE FROM HIS WHEAT CROP LAST YEAR.

Charles McCormick of Kenville, Manitoba, writes:

"During the season of 1907, I had 100 acres in crop on the S. W. quarter of section 18, township 35, range 27 west of the Principal Meridian, Western Canada, yielded as follows: "80 acres at 22 bushels per acre, which I sold for 90 cents per bushel; and 20 acres oats yielding 60 bushels per acre I sold for 25 cents per bushel so that my total crop realized \$2,004.00. From this I deducted for expenses of threshing, hired help, etc., \$400.00, leaving me a net profit on this year's crop of over \$1,600."

Thomas Sawatzky of Herbert, Saskatchewan, says:

"The value of my crop per acre of wheat is \$22.50. I threshed 1,750 bushels of wheat from 70 acres, and was offered 90 cents a bushel for it. Oats, 15 acres, 500 bushels; and barley, 5 acres, 80 bushels. I do not know if I have been doing the best in this district, but I know if all the farmers were doing as well, Western Canada would have no kick coming as far as grain growing is concerned; and I further say that if you want to put this in one of your advertisements, this is true and I can put my name to it."

## Both in Same Plight.

"My friends dragged me into this wretched affair!" shiveringly said the first duelist to his adversary, as the seconds approached with the deadly weapons. "I never pulled the trigger of a pistol in my life; so, if I hit you it will be an accident."

"Nor is this awful duel to my liking!" whined the challenger, white to the gills. "Like you, a pistol is a strange article to my hands, and if I shoot you it will be with a stray shot!"

"Then, for heaven's sake," exclaimed the first duelist, "with a ray of hope, 'let's aim carefully at each other, or one of us may get hit!'"—Illustrated Sunday Magazine.

## Mother's Modest Demands.

Lawyers will take almost any case, and Chicago lawyers, it seems, will take anything. A Chicago woman put her son in a children's home there, and is now bringing suit because they cut off the boy's curls. "Every curl was worth \$1,000 to me," she says, "and they gave him a bath, too, against my wishes. He is a delicate child and bathing makes him sick. I haven't given him a bath since a year ago Christmas." She will ask \$15,000 because of the curls and bath.
