**FOR KANSAS CHILD'S CUSTODY.**

A Little Nickerson Girl Prefers Her Grandparents to Her Father.

An application for a writ of habeas corpus was made to the supreme court by the attorneys for Opal Swares, in which she asks to be taken from her father and given to her grandfather and grandmother. Opal Swares is a little more than seven years old. Her mother died when she was a year old and she had been living with her grandmother since that time at the home of F. M. Swares near Nickerson, Kas. Her father recently married, and, on account of difficulties which his second wife had with his father and mother, he has attempted to break the contract by which his daughter was given to his mother.

The father has taken the child and refuses to let her see her grandmother. On account of the fact that the child has often said that she preferred to live with her grandmother the attorneys brought the habeas corpus proceedings to place the child in the custody of the grandmother and grandfather, instead of that of the father and stepmother.
