Basket Store Delivery Wagon Smashed.

Dwight Crewdson was struck by a So. 10th street car and was laid up for awhile. Wagon wheel smashed, Horse and Harness damaged. Where is the man who says "Free Deliveries?" There is no such thing as a free delivery.

PEDDLER ARRESTED!

A peddler was arrested the other day and fined about fifty dollars for short weighing a customer on potatoes. It has always been a mystery to the doctor how a peddler can buy potatoes for eighty cents and sell them for seventy cents a bushel. This peddler had sold five bushel and they weighed up as three and one-half bushels. So the evidence shows. The Basket Stores sell 15 lbs. of potatoes for a peck. They have no peck measures in the stores. How do you like that system.

"It is easy in the world to live after the world's opinions; it is easy in solitude to live after our own; but the Great Man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude." —Ralph Waldo Emerson.

JUS' KEEP ON KEEPIN' ON.

"If the day looks kinder gloomy
 An' your chances kinder slim--
 If the situation's pusslin'
 An' the prospect's awful grim,
 An' perplexities keep pressin'
 Till all hope is nearly gone,
 Jus' bristle up, an' grit your teeth,
 An' keep on keepin' on.

Fumin' never wins a fight,
 An' frettin' never pays;
 There ain't no good in broodin' in
 These pessimistic ways.
 Smile Jus' kinder cheerfully
 When hope is nearly gone,
 An' bristle up, an' grit your teeth,
 An' keep on keeping on."

Five Cents for regular deliveries over \$1.00. 15c for hurry trips. \$6.00 orders delivered free. Terms C. O. D. There will be a few articles in the above price list that some of the stores may not carry but they can probably be put in where ordered. "Tip" means good quality. Follow a Basket Store "tip" and you will never get "bit." * N. B. means that the manufacturer does not overburden the article with advertising and salesmanship expenses and therefore the above low price.
