

A BARGAIN EVENT WITHOUT EQUAL

We've had "January Bargain Sales" before, but never one to equal the present, either in bargains offered or the response of the people to the opportunity offered. A remarkable fact about the event is that the second week's sales were greater in volume than the first week's sales. Owing to our immense stocks at the sale's beginning we still have full lines to select from and the bargain opportunities remain unparalleled. Thousands of Men, Women and Youths have taken and are profiting by this sale. You should be among the number.
