

Drawing Near Its Close

Our most successful January Clearing Sale—and we have held many such sales—is drawing to a close. There remains but three more days, Saturday, Monday and Tuesday. Despite the tremendous volume of business transacted during this sale, there remains splendid selections in every one of the several lots into which we divided our great stocks. These offer unparalleled bargains to the careful buyer, and we frankly advise our friends and patrons who have not already taken advantage of our offer to do so before this remarkable sale closes.

Once more we explain the simple and easily grasped plan of the sale. Our immense stock of Men's and Boy's and Youth's clothing and Furnishings are divided into five lots, and are offered at the following bargain prices that will appeal to the careful and economical buyer:
