LABOR DAY, 1908

VOLUME 5

LINCOLN, NEBRASKA, AUGUST 29, 1908

NUMBER 22

Labor Saving in the Kitchen

Is secured by using one of our up-to-date
Gas Ranges and burning

GAS for FUEL and LIGHTS

Saves time, because it is always ready.

Saves labor, because it does its own work.

Saves health, because it is sanitary.

No waste, no discomfort, no delay, no dirt.

The Most Economical Fuel

Ask any of our 4 thousand customers.

Cheaper than coal. The cleanest and hottest fuel known.
Delivered to your stove without exertion on your part.

CONSULT US ABOUT IT.
