

THE BONE AND SINEW OF AMERICA

On the First Monday in September the hosts of Organized Labor will formerly march in Grand Review—The World's Great Army of Peace. The men from the Lathe, the Forge, the Linotype, the Press, the Shop and the Factory—the men who build our prosperity—will take a well earned holiday set apart in their honor. And here's the best wishes of this store for every member of this Magnificent Army. The world has never known a better in its great industrial war.

Labor's Present Opportunity

We desire at this time to call the attention of the wage earners to a few important facts—facts that mean money to them. The men who parade on Labor Day will want to make their very best appearance. And that's where we can be of material assistance.

UNION MADE SUITS

We can fit you out. We have a magnificent line of the Henry J. Brock clothing—union made, up-to-date, best quality and the acme of perfection in style, fit and color. Some special bargains are being offered in this line of goods just now.

Of course no union man wants to parade on Labor Day with a non-union hat on his head. We have the best union made hat offered—and it is as good as the best. The "No Name" hat has the label, and we are offering some special bargains in this line.

UNION MADE SHIRTS

The union man who does not wear a union made shirt in the Labor Day parade will feel a little "off." We handle the Elgin—union made and equal to any shirt on the market at its price. Just now we are making a special drive in shirts.

UNION MADE OVERALLS

Perhaps you want to parade in the garb of your craft. If so, then you certainly want union made overalls so you will be in keeping with the idea of the day. We handle the best union made overall on the market and are offering something fine in the way of bargains just now.

UNION MADE WORK SHIRTS

And if you want to wear union made overalls on Labor Day, of course you will want a work shirt in harmony—bearing the label. We have them in great variety, and the bargains we are offering have never been surpassed.

UNION MADE CAPS

Maybe you prefer a cap. And of course the label is demanded by good union men. We have the caps, and the caps have the label. The bargains we are offering will please you.

For Labor Day

We can fit out the union man who wants to march on Labor Day. We handle only the best in union made goods. Frankly, we demand something more than the presence of the label on the goods we handle. The goods have to "stand up" with our trade. It must be the best—and that is just what the wage earner is entitled to for his money. No man ought to get more for his money than the man who earns it in the sweat of his face.

Union Outfitters

We are prepared to outfit your union if you want something especial for Labor Day. Come in early next week and tell us what you want. We'll move heaven and earth—figuratively speaking—to give it to you. We are anxious to please the union men of this community.

The Sterling Stock

At this time we desire to call your attention to the great clearing sale of the Sterling Stock of Clothing and Furnishings. Already you know of our purchase of this immense stock of goods—involving a matter of \$75,000.00. We are determined not to carry a dollar's worth of this stock past the middle of September. If prices will move this stock, the stock will move. That the prices are right is evidenced by the rapidity with which it is moving. Now is the time to provide for future wants at prices that are almost ridiculously low.

For The Schoolboy

Mother, here is your opportunity to outfit your boys for school, and do it at prices that will appeal to you. At our bargain prices you can outfit the boys for a year or two, and do it for less than it usually costs to keep them dressed for three months. We know what boys do to clothing.

A Lifetime Opportunity

The father can save dollars by taking advantage of our present Great Bargain Sale. He can save dollars by bringing the boys here. A dollar now will go from three to five times as far as it will when this great sale is over. Price is no object to us—We must move this great stock of goods. You know that when the Armstrong Store says a thing, that thing may be depended upon. We are proud of that reputation, and we will maintain it at all hazards.
