## GET THE POINT TO THESE REMARKS

**WE WANT YOU** to realize the importance of this fact to you. Speier & Simon never mark the prices of their clothing up in order to get a big holiday profit--you know this is done every year by many big stores, no use to mention names, you know them, but our prices which are always the lowest, are the same now when you need a suit and overcoat as they will be after Christmas and New Year's Day. It follows then you must buy your clothing here unless you want to pay an exorbitant price for it, which, of course, you don't.

This advertisement will reach thousands of people who are not regular subscribers to this paper. We say to you, it will pay you to come two hundred miles to buy your clothing at this store. Take a day off and run into Lincoln--you'll probably have some other shopping to do and you'll save enough on your purchases here to pay your expenses.
