

OFFICERS STATE ALLIANCE.

President, W. L. Dale, Atlanta. Vice-Pres., Prof. W. A. Jones, Hastings. Secretary, Mrs. J. T. Kelle, Harvey.

THE WEALTH MAKERS ALLIANCE DEPARTMENT.

Saunders County.—Thanks for co-operative constitution and by-laws. I have just organized an Industrial Legion in Ashland, last night, Saunders county's gold-bug Republican stronghold, with eighteen recruits.

Perkins County.—We agree with you in all you say in relation to question II, February and March studies, only after discussion we believe that any American citizen should be allowed to own one-half section of land somewhere in the United States, but no more.

At an open meeting of East Lowell Alliance, No. 1838, the following resolution was passed by unanimous consent and ordered sent to THE WEALTH MAKERS:

Resolved, That we extend a vote of sympathy to General Coxy and his men. D. W. MOON, Sec. pro tem.

How would it do to allow each citizen who is the head of a family to own a city or town home where they could educate their children, etc., and at the same time own a farm home, provided that they had actually lived upon and improved said farm previously and devoted a considerable of the annual income of the farm to its improvement, thus giving weight to their declaration of intention of making it their future home?

It has always seemed strange to me that the ones who have so much to say about protecting American industry and who wish to compel us to trade at home at double prices, do not advocate an American money good for all debts public and private in America.

Sheridan County.—We, as Alliance people, must make arrangements to have a house at Omaha or Lincoln that will sell to us at wholesale rates, and save us freight rates from Chicago to Omaha, and we can do so if we, as Alliance people, stand together.

I tell you these men have no souls in them; or any other man that use such words against the struggling poor of our fair land. Tom and Russell called W. V. Allen an anarchist for bravely defending the poor.

June Appointments for State Lecturer J. H. Powers.

J. B. Weaver speaks here on July 4th. Let us have Alliance picnics all over the state this summer. H. F. W., Pres. County Alliance.

Kearney County.—We have a good Alliance and good attendance. We will have two new members to initiate at our next meeting. I am going to try and get out and do some work for the Alliance of Kearney county in the near future. J. H. H.

Frontier County.—Considerable interest is being manifested in our Alliance and we expect to have 100 members in six months. G. R.

Webster County.—F. Houchin reorganized Stillwater Alliance No. 828, with thirteen members.

Cedar County.—Pearl Creek Alliance, No. 2223, reinstated with twenty-one members.

Otoe County.—If it were possible to initiate the idea of village farming, instead of the present system of individualized farming, some improvement might be attained, but the isolated condition of life and consequent hard labor involved by our present monetary condition keeps the people ignorant of their sad state.

A Resolution of Sympathy. May 19, 1894.

At an open meeting of East Lowell Alliance, No. 1838, the following resolution was passed by unanimous consent and ordered sent to THE WEALTH MAKERS:

Resolved, That we extend a vote of sympathy to General Coxy and his men. D. W. MOON, Sec. pro tem.

Opposes Mr. Swigart's Plan. COLON, Neb., May 24, 1894.

Editor WEALTH MAKERS: In your issue of today Brother J. Y. M. Swigart invites criticism on his proposed regulation of the liquor business.

Even in the hands of an intelligent physician it is not equal to some other stimulants, while to a healthy person it is a poison and soon changes the human form divine to a loathsome blot in appearance, and with blunted moral faculties, lacking justice, mercy, and honesty.

Who ever saw a man made better by using strong drink of any kind? And supposing it were a nice, clean place, would men take their wives and children there? They should share all good things, as well as the labors and trials. Come again.

Grandma, Tom and Russell. RUSHVILLE, Neb., May 26, 1894.

The Republicans had a noisy time at Rushville last night. Tom Majors, Gen. Russell and Grandma Thayer were out. Our people came out in force and gave good attention to the speakers.

Well, I say, God help the people of this state if this is a sample of the would-be governor, "Tom Majors", and our ex-Governor "Thayer." Not a word or syllable was uttered by any of these men in the way of relief from this inflow that they have caused to set upon every industry in this country.

LET US EXCHANGE VIEWS.

cles on transportation are the ablest ever written by any man in the state. Those who know him best admire him most. He is a man of brains and of good moral character, and one of a few of his profession (commercial men) who has the manhood to stand up for the downtrodden and the oppressed, and he speaks his sentiments freely at all times.

There are many other men who have been mentioned by their friends who are generally good men, and I will say to Brother Raver that when we get to Grand Island the 15th of August, if their friends place their names before the convention as candidates, we will call them out and make them tell where they stand on our principles before we nominate them; but don't ask them to come out and tell what they will do before a nomination is tendered them. However, if any one knows of any man who has been named for nomination who is unfit for the place, he ought to come out and tell the people what he knows. And of course it is in order at all times for a man to decline to be a candidate. To my many friends who have seen fit to mention my name in connection with the state ticket I return my heartfelt thanks, and assure them that I fully appreciate their good wishes; but I am not and never have been a candidate for any office; and while I hope I shall never be placed in a position where I shall have to say to my friends, "I will not do that which you ask," yet the success of our principles is dearer to me than any personal aggrandizement, and as I feel that we have many men in our ranks better qualified than myself to fill every place on the ticket, I again say, I am not a candidate for any state office.

Don't forget that we will send THE WEALTH MAKERS to ten new subscribers until August 1, for only \$1.00. See our special offer elsewhere in this paper.

For a Four Horse Wagon Campaign. AINSWORTH, Neb., May 25, 1894.

I second the motion for a four horse wagon campaign for our delegates to our state and congressional conventions for we have got horses and wagons, but no money to ride on the cars with. We send our thanks for your defence of the Industrial Army; but, Mr. Editor, you know Coxy's fate. You must be careful and keep off the grass.

Repeat the 1840 Campaign. HAZARD, Neb., May 17, 1894.

I see it suggested that we attend our state convention in wagons. By all means do so, and I will try to get our delegates from this (Sherman) county to come in that style, each to have his knapsack, haversack, canteen, and in place of a gun we will each shoulder a spade, shovel, mattock, fork, rake, axe, sledge hammer, or something belonging to the farm. We will come in a big wagon prepared to camp out, and we will come peaceably and will keep off the grass, and we will not tramp on our dignitaries' corns. But they must keep them well under their persons.

Let us have an 1840 campaign by all means. Well do I remember it, and will take part again, as old as I am, if central committee cuts it out this way.

Lancaster County Committee Action Editor WEALTH MAKERS:

Thinking that it might be of interest to your readers, I will state that the county central committee met pursuant to call, May 19, with almost every ward and precinct committeeman present, for the purpose of hearing the chairman and secretary report the work of the fall campaign, and to make arrangements for the coming convention and campaign. The report of the chairman and secretary showed all bills of last fall's campaign paid, and a small balance of funds on hand for this fall's campaign.

The committee decided to hold the county convention in Lincoln August 1, 1894, at 10 a. m., for the purpose of placing in nomination a complete county ticket; also to select delegates to the state and congressional conventions. The basis of representation is one delegate for each ten votes cast for Silas A. Holcomb at the last general election, and one delegate for each major fraction thereof. And to the state convention one delegate for every 100 votes cast for S. A. Holcomb and one for each major fraction thereof.

Fraternally yours, J. C. McNERNEY, Chairman. C. E. WOODARD, Sec'y.

\$100 Reward, \$100.

The reader of this paper will be pleased to learn that the reward of \$100 is now being offered for the discovery of the man who has been in the state of Nebraska since the 1st of January, 1894, and who has not been in the state since that date.
