

SEVENTY JAPANESE SHIPS

THEY ARE PREPARING TO SWOOP DOWN ON CHINA.

ENTERED THE GULF OF PE-CHILI

Their Presence Has Caused the Greatest Excitement in Shanghai and Elsewhere Throughout the Flowery Kingdom—Two Thousand Chinese Soldiers Desert on Account of No Pay.

LONDON, Oct. 8.—A dispatch from Shanghai says that the masters of several Chinese junk which arrived at Chefoo yesterday reported having sighted Tuesday a large fleet of Japanese transports, escorted by warships entering the gulf of Pe-Chili, numbering 70 ships. Their presence in the gulf of Pe-Chili has caused the greatest excitement at Shanghai and elsewhere. It is believed that it is the expeditionary force of 30,000 men which left Hiroshima, the Japanese headquarters, September 26, under sealed orders and under command of Field Marshal Count Oyama, Japanese minister of war. This force composed the second Japanese army corps and was escorted by the second Japanese squadron.

A dispatch received at New Chwang says that the Chinese are in full retreat from Moukden, which is threatened by advance of Japanese troops from Corea and the Japanese forces said to have landed near Poesai bay and not far from the Russian territory bordering on Corea and the Chinese province of Manchuria.

The Chinese government has authorized a firm in Tien Tsin to raise a loan of \$50,000,000. The sum of \$5,000,000 has already been placed privately. The rates are not stated.

Two Japanese spies have been arrested at Hankin. One of them confessed that he had been furnishing information to the Japanese and added that he regretted that he had been captured before he finished his work. The other, a clerk to the other spy, pleaded youth and ignorance in extenuation of his offense. Both are now awaiting the decision of the viceroys in their cases.

It is reported that 2,000 men belonging to the Sheng division of Li Hung Chang's crack corps, now in Corea, have deserted on account of their pay being in arrears. It is also rumored that they have joined the enemy.

LONDON, Oct. 8.—A dispatch received here from Berlin says that it has been learned on high authority that the meeting of the British cabinet was called to discuss a proposal for combined action on the part of the powers to interfere and prevent the overthrow of the Chinese dynasty, which, it was claimed, would result in anarchy in the empire and the massacre of Europeans. One power, it is said, favored a compulsory settlement of the Chinese-Japanese dispute. The dispatch adds that Sir William Vernon Harcourt, chancellor of the exchequer, supported this view of the action to be taken, but Prime Minister Rosebery and a majority of the cabinet believed active interference would be more dangerous than non-intervention, and it was decided that Great Britain should not interfere.

Chancellor von Caprivi has gone to Hubertusstock, where the kaiser is now staying, to consult his majesty regarding the situation in China. The German press is inclined to view the situation in the East with alarm. The statement of the Vossische-Zeitung, that in its opinion the Korean war is the forerunner of a great Anglo-Russian collision, is generally echoed in the provincial press.

The Car Seriously Ill. BERLIN, Oct. 8.—Professor Leyden, the distinguished specialist, who has just returned from Spala, where he has been in attendance upon the czar of Russia in conjunction with Professor Zacharin, said distinctly: "His majesty is suffering from Bright's disease. But the disease is as yet in mild form complicated with diabetes. The latter is causing difficulty in breathing."

NEWS NOTES. The question of relieving army officers as Indian agents will be taken up at the coming session of congress. The termination of the Eastern Alaskan boundary makes it the longest straight line boundary in the world.

It is proposed that the government forest reserves in the several states be turned into national parks or given to the states for state parks. Commissioner McDonald says this has been a bad year for young fish, but that the government hatcheries have turned out something like 600,000,000.

Miss Sperry of California Triply Married to Prince Poniatowski.

PARIS, Oct. 8.—The civil marriage of Miss Elizabeth Sperry of San Francisco and Prince Poniatowski was performed by the mayor of Passy yesterday. The witnesses on behalf of the bride were her brother-in-law, W. H. Crocker of San Francisco and Mr. Kane of Paris. The bridegroom's witnesses were his uncle, Count Mousnes Ferencsac and Count DeVeslon. The bride was attired in dark green silk.

The religious marriage took place at noon to-day in the Roman Catholic church of St. Pierre de Chalot. The bridal party then repaired to the American Protestant church of the Holy Trinity, on the Avenue de l'Alma where a second religious ceremony was performed by the Rev. The church was decorated with flowers. Among the Americans present were Miss Sybil Sanderson, Mr. Sanderson, Mr. and Mrs. Alexander and Mr. and Mrs. Stuart Taylor of New York and Mr. Allen of San Francisco.

After the two religious ceremonies, a luncheon was served at the Hotel Bristol and the prince and princess started for Holland at 5 o'clock. They will live here after the honeymoon, on the Avenue du Bois de Boulogne. The bride wore a dress of white satin and no ornaments.

No names were attached, but its authors are known to be men of high position and influence.

The police have arrested the man who printed the manifesto and great excitement has been caused at Lisbon.

Trumbull Wants to Go to the Senate.

CHICAGO, Oct. 8.—Reports are current that the erstwhile prominent Democrat, Judge Lyman Trumbull, in appearing as a Populist campaign speaker, is carrying out part of a deep laid scheme. It is asserted that, having made himself solid with the Populists, he hopes to be the choice for United States senator of such representatives as that party may succeed in electing to the Illinois legislature. It is not impossible that the Populists may hold the balance of power in the joint assembly, and it is claimed that Judge Trumbull sees in such a condition a chance to have himself forced upon the Democrats as a compromise, and Franklin McVeagh dropped as an impossibility.

A clandestine marriage was the consummation of a romantic courtship at Hot Springs Friday. The contracting parties were Ernest Shendal, a hotel clerk, and Miss Eldora P. Craig, daughter of Auditor Craig of the Union Pacific railway. The parents opposed the match but the young couple took a drive into the country and returned man and wife.

Reports of the naval officers commanding the vessels on the Hehring sea patrol one and all present a very discouraging outlook for the future of our seal fisheries. Generally these reports show that the regulations imposed in accordance with the findings of the Paris arbitration are of little avail in protecting the seals during what is known as the open season.

Over 600,000 fish of various kinds have been hatched and loosed under the auspices of the national commission this season. There has been about 100,000,000 hatched shad, 1,000,000 white fish, 3,000,000 perch, besides smaller numbers of a great many other species.

M'PHERSON WILL STEP OUT

THE NEW JERSEY SENATOR NO LONGER IN POLITICS.

HE WILL NOT SEEK RE-ELECTION.

His Health is Too Feeble to Stand the Strain of Another Campaign—Massachusetts Republicans Renominate Governor Greenhalge—Wilson Returns From Europe Improved in Health.

NEWARK, N. J., Oct. 8.—A letter was received to-day by Assemblyman Moses Bigelow from Senator McPherson, in which he stated that he was not a candidate for a fourth term in the senate. "For a period of eighteen years," Mr. McPherson wrote, "I have served the people of New Jersey in the senate of the United States faithfully and diligently and with all my ability. For the last four years the sessions have been almost continuous and the strain upon me physically has been quite as great as I can bear and I cannot assume the responsibility of an active, exciting political struggle which the situation in New Jersey seems to make necessary to insure complete success."

Bay State Republicans.

Governor Greenhalge Renominate—Senator Hoar Reports the Platform.

BOSTON, Oct. 8.—The Massachusetts Republican state convention assembled in Music hall to-day, Samuel T. Winslow acting as temporary president. Upon reporting a permanent organization the committee stated through Senator Hoar that Congressman Cogswell, who had been selected for the president's place, had sent a telegram stating that his physicians would not permit him to attend. Therefore Temporary President Winslow was continued as permanent president. Curtis Guild, jr., was appointed to read Congressman Cogswell's speech, which he had written. Senator Hoar, as chairman of the committee on resolutions, submitted the following report:

"The principles of the Republicans of Massachusetts are as well known as the commonwealth itself; well known as liberty; well known as justice. Chief among them are: An equal share in the government for every citizen; the best possible wages for every working man; the American market paid for the government; every dollar paid by the government—both the gold and silver dollars of the constitution and their paper representatives—honest and unchanging in value and equal to every other; better immigration laws; better naturalization laws; no tramp, anarchist, criminal or pauper labor to be let in so that citizenship shall not be stained or polluted; sympathy with liberty and republican government at home and abroad; Americanism everywhere; the flag never lowered or dishonored; no surrender in Samoa; no barbarous queen beholding men in Hawaii; no lynchings, no punishment without trial; faith kept with the pensioners; no deserting old soldier in the poor house; suppression of dram drinking and dram selling; a school at the public charge open to all children; and free from partisan or sectarian control; no distinction of birth or religious creed in the rights of American citizenship; clean politics; pure administration; no lobbyists; reform of old abuses; leadership along loftier paths; minds ever open to the new truth and the morning, ever open to new truth and new duty as the new years bring their lessons."

Senator Lodge, after some routine business, moved the renomination by acclamation of Governor F. T. Greenhalge. This was adopted and similar action was taken as to Lieutenant Governor Roger Wolcott. William M. Olin was nominated by acclamation for secretary of the commonwealth, Henry M. Phillips for treasurer and receiver general, General John W. Kimball for auditor and H. M. Knowlton for attorney general.

MR. WILSON RETURNS.

The Tariff Reform Leader Back From Europe Ready for Hard Work.

NEW YORK, Oct. 8.—After a stormy voyage the American line steamer New York arrived to-day. Among the passengers were Congressman W. L. Wilson of West Virginia, and Isidore Strauss of this state.

Mr. Wilson, who was looking excellently, said: "I feel fully recovered from my recent illness and have enjoyed my trip very much. I met a number of the leading financiers and business men in London at the chamber of commerce dinner. I spoke to them then, and said the new tariff bill was not made to suit them, but to suit Americans. My remarks, I believe, were cable over here, and I have nothing to add to them. The British will have to look out for us when we get free raw material, for we will command supremacy in manufactures; our merchant marine will be restored and our merchants will appear in neutral markets."

Mr. Wilson Returns.

"What do you think of the result in Georgia and the gain of the Populists?" "Well, as I have only just heard of it, I can not give any opinion at the present time. I am going right home and will begin my canvass at once. That will be a test of my health being improved, as I am going to work very hard."

LIVE STOCK AND CORN.

Annual Crop Report Showing Averages in the Several States.

CHICAGO, Oct. 8.—The annual crop report on hogs, cattle and corn of Mallory, Son & Zimmerman gives the following averages:

On old hogs—Illinois, 79; Iowa, 76; Missouri, 82; Wisconsin, 69; Minnesota, 86; South Dakota, 59; Nebraska, 35; Kansas, 61; Indiana, 88; Michigan, 91; Ohio, 89.

Pigs—Illinois, 105; Iowa, 110; Missouri, 95; Wisconsin, 103; Minnesota, 111; South Dakota, 93; Nebraska, 86; Kansas, 67; Indiana, 90; Michigan, 96; Ohio, 95.

Cattle—Illinois, 89; Iowa, 88; Missouri, 89; Wisconsin 89; Minnesota, 64; South Dakota, 50; Nebraska, 44; Kansas, 54; Indiana, 76; Michigan, 78; Ohio, 79.

Corn—Illinois, 98; Iowa, 60; Missouri, 67; Wisconsin, 73; Minnesota, 76; South Dakota, 39; Nebraska, 31; Kansas, 45; Indiana, 111; Michigan, 87; Ohio, 82.

The percentage of wheat-fed hogs—Illinois, 19; Iowa, 18; Missouri, 18; Wisconsin, 33; South Dakota, 75; Nebraska, 52; Kansas, 55; Indiana, 32; Michigan, 53; Ohio, 44.

The reports of correspondents on what feeding show that farmers to a large extent have tested the value of wheat (when ground) as food for all classes of stock and are using it freely and deriving benefits from its use that are surprising. Many of the correspondents who have made scientific tests state that one bushel of wheat when ground and properly fed is equal to one and one-half bushels of corn, and as this is a year when it will have to be used to a large extent, it is well to revolutionize the stock feeding business.

Another prominent feature of the report is the large number of counties reporting disease among hogs. In the eleven states disease is reported in 111 counties. There have been thousands of pigs from 20 to 140 pounds weight shipped from Nebraska and South Dakota into Iowa, Illinois and other states, and it is principally among these hogs that the disease started and spread to native hogs.

FIVE STATE TICKETS.

That is the Number to Be Presented Voters of Missouri in November.

JEFFERSON CITY, Mo., Oct. 8.—The socialist labor party yesterday filed with the secretary of state their state ticket, which consists of the following nominees, all from St. Louis: Judge of supreme court, Albert E. Sanderson; superintendent of public schools, James A. Rendell; railroad and warehouse commissioner, L. Seller.

The Democrats and Populists have filed their state nominees, but the Republicans and prohibitionists have not done so up to date.

There will be five state tickets voted for at the November state election, to-wit: Democratic, Republican, Populist, Prohibition, and Social Labor. It is yet believed that a deal is between the Republicans and Populists to withdraw the Populist candidate for judge of the supreme court in favor of the Republican nominee.

BALLOT CANNOT BE MARKED.

Attorney General Little Readers a Decision Upon This Point.

TOPEKA, Kan., Oct. 8.—A letter from B. M. Wallace of Topeka to the attorney general states that an attempt will be made to ascertain how certain citizens of Shawnee county cast their votes in the coming election, and inquiring if any marks can be put upon the ballots by the judges of election, or by any other person, by which it can be determined by whom the vote is cast. In answer to the proposition General Little says: "I have carefully examined the Australian ballot law, and I find that one of the purposes of this law is to prevent any person knowing for whom the voter casts his vote. If any judge of any election shall, with a view of determining how any voter shall cast his vote, mark the same in any way, he should be reported at once to the county attorney, and such judge should be immediately prosecuted for such violation of the law."

Suicide of a Prominent Farmer.

HARRISONVILLE, Mo., Oct. 8.—Henry Hockaday, a prominent farmer living about six miles west of town, about 35 years old, and recently a candidate for the nomination of treasurer on the Democratic ticket, committed suicide by taking strychnine. He was married last Tuesday and was building a new house to live in. Ill health was supposed to be the cause.

Held Up by the Cook Gang.

MUSKOGEE, Ind. Ter., Oct. 8.—Last night the K & A. V. depot at Fort Gibson was robbed by six masked men. The Cook gang, who are successors to the Dalton gang, are known to have been in the vicinity of Fort Gibson during the past week and the inference is that they were the robbers.
