

party, whereas even Schlatter would not attempt such a cure. Bryan is keeping more men from joining us than any other man in the United States, and so doing us more harm; yet many of our men foolishly admire him.

We must work; and now is the time—when men can sit down and read and think. When spring work begins will be too late.

TO WORK FOR SILVER

An important meeting was held at the Lindell hotel last Saturday for the purpose of organizing a "Non-partisan Free Silver League of Nebraska." C. D. Casper of David City was made chairman of the meeting, and Warwick Saunders of Platte county secretary. The question was freely discussed by prominent members of all parties, and... was finally agreed to elect an executive committee to be composed of four men, one from each party, whose duty it would be to appoint committees in every county in the state to push the work of the organization.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous surfaces of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Father's Domestic Headship

Dr. Charles H. Parkhurst, D. D., in November Ladies' Home Journal writes concerning "The Father's Domestic Headship." While, perforce of ordinary circumstances, the father's duties will hold him considerably apart from the contacts of home life, yet whatever successes he may achieve outside will not atone for any failure on his part to regard his home as the prime sphere of his obligation and the point around which his devotions will cluster in distinguished earnestness and constancy.

COMMON SENSE CURE.

PYRAMID PILE CURE CURES PILES PERMANENTLY BY CURING THE CAUSE.

Remarkable Remedy Which is Bringing Comfort to Thousands of Sufferers.

Probably half the people who see this article suffer from piles. It is one of the commonest diseases and one of the most obstinate. People have it for years and because it is not immediately fatal they neglect it. Carelessness causes so much suffering. Carelessness about so simple a thing as piles has often caused death. Hemorrhages occur from no apparent cause and loss of blood causes death.

Piles are simple in the beginning and easily cured. They can be cured even in the worst stages, without pain or loss of blood, quickly, surely and completely. There is only one remedy that will do it—Pyramid Pile Cure.

It allays the inflammation immediately, heals the irritated surface and with continued treatment reduces the swelling and puts the membranes into good, sound healthy condition. The cure is thorough and permanent.

Here are some voluntary and unsolicited testimonials we have lately received: Mrs. M. C. Hinkly, 601 Mississippi St., Indianapolis, Ind., says: Have been a sufferer from the pain and annoyance of Piles for fifteen years, the Pyramid Pile Cure and Pyramid Pills gave me immediate relief and in a short time a complete cure.

Major Dean of Columbus, Ohio, says: I wish to add to the number of certificates as to the benefits derived from the Pyramid Pile Cure. I suffered from piles for forty years and from itching piles for twenty years and two boxes of the Pyramid Pile Cure has effectually cured me.

Most Druggists sell Pyramid Pile Cure or will get it for you if you ask them. It is one dollar per package and is put up only by the Pyramid Drug Co., Albion, Mich.

The Last Chance.

MRS. JOHNSON HAD ONLY ONE CHANCE TO SAVE HER LIFE.

How Does the Work of Three Average Women.

From the Ledger, Mexico, Mo.

Mrs. Lucinda Johnson lives in Mexico, Mo. The Ledger has just succeeded in obtaining an interview with her. This is the substance of her story: In the winter of '92 and '93 Mrs. Johnson was, like many of her friends, attacked with la grippe. Yes, we've most of us had it, and know its wrecking powers, when it gets in its work on a good constitution. Well, Mrs. Johnson, along about Christmas, was prostrated. All the medical aid here in the city only "brought her around," as an "herbs and roots" female sympathizer expressed it, and she was left in a debilitated and exhausted condition and experienced a constant pain in her left side. She was wholly unfit for her domestic duties and was unable to do any work about the house, even after the la grippe fever and its characteristic sickness had left her.

She is a consistent member of the church, and one Sunday, between the Sunday school and church services, being barely able to be conveyed there, she heard of a miracle that Dr. William's Pink Pills for Pale People had performed and she resolved to try them. It was like the drowning man grabbing at the last straw. It was her last and only chance to save her life. She procured one box of these pills from the south side druggists, French & Garrett, in this city, and by the time she had used half the box she and her watchful friends noticed a marked improvement in her condition. Taking the rest of the box of pills and one more box she recovered remarkably in an exceedingly short time. Before she had used the first box she resumed her household duties and has been steadily at work for the last eighteen months. It took only a few boxes, perhaps five or six, to entirely cure her. Since then she was attacked by rheumatism, caused from careless exposure, but by at once taking the Pink Pills for Pale People, she drove that painful and dreadful malady away. She told the reporter that whenever she felt that she was going to be ill, she took one or two of the pills and she never got sick. Mrs. Johnson is perfectly healthy now and promises to live to a ripe old age. Her friends have never ceased to talk about her almost miraculous recovery and are loud in their praise of the Pink Pills for Pale People, and all who have tried them say they would not be without them under any conditions.

Dr. William's Pink Pills are not looked upon as a patent medicine, but rather as a prescription. An analysis of their properties shows that they contain, in condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, pale and sallow complexion, and that tired feeling resulting from nervous prostration, all diseases resulting from vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppression, irregularities and all forms of weakness. They build up the blood, and restore the glow of health to pale and sallow cheeks. They are for sale by all druggists, or may be had by mail from Dr. Williams' Medicine Company, Schenectady, N. Y., for 50c. per box, or six boxes for \$2.50.
