This aim will more than justify swine feeding.

A very large part of the crops grown upon the farm in the shape of grain should be turned into meats and butter and cheese before it is sold. In this way the land is kept in fertility and the product is very much nfore valuable and concentrated. The farmer who raises crops through the summer and feeds them through the winter has double profits.

The scarcity of feed in the fall is often the cause of great losses to farmers, mainly clover. This is the dearest of all feeds. A clover plant his first laboratory in New York .cropped in August or September has F. D. Mussey in Cincinnati Commerits growth so checked that it cannot

North Platte Alliance No. 541 regained by repeated efforts and many ports through its secretary, Mr. Frank failures. Among the questions now pending before our Alliance is a farmers store, and another the abuse of delegated powers by senators and representatives both in congress and state legislatures. This latter question will be thoroughly discussed.

OBTAIN CHICAGO PRICES FOR YOUR PRODUCE

The way to do this is to ship your Butter, Eggs, Poultry, Veal, Hay, Grain, Wool, Hides, Beans, Breom Corn, Green and Dried Fruits, Vegetables, or anything you have, to us. The fact that you may have been selling these articles at home for years is no reason that you should continue to do so if you can find a better market. We make a specialty of receiving shipments direct from FARMERS AND PRODUCERS, and probably have the largest trade in this way of any house in this market. Whilst you are looking around for the cheapest marsnipment direct from FARMERS AND PRODUCERS, and probably have the largest trade in this way of any house in this market. Whilst you are looking around for the cheapest mar-ket in which to buy your goods and thus economizing in that way, it will certainly pay you to give some attention to the best and most profitable way of disposing of your produce. We invite correspondence from INDIVIDUALS, ALLIANCES, CLUBS, and all organizations who desire to ship their produce to this market. If requested, we will send you free of charge our daily market report, shipping directions and such information as will be of ser-vice to you if you contemplate shipping. Let us hear from you.
