OUR COUNTY TICKET.

The Lancaster county independent convention held in Masonic hall on Monday was well attended, harmonious, and full of enthusiasm. Without any desire to bestow unmerited or indiscriminate praise we want to say that the ticket named is an exceedingly good one. Not a weak nomination was made. Every man on the ticket is intelligent, honest, and highly respected.

H. F. Rose, the candidate for county attorney is one of the brightest, cleanest and most popular young attorneys in the county.

I. N. Leonard for state senator is one of the most successful, and highly respected farmers in the county, an old soldier with a record to be proud of, president of the county alliance, and a true blue independent if there is one.

J. C. McNerney for state senator is an industrious, rising young attorney of Lincoln who has the confidence of all who know him, and stands squarely with the people against the corporations.

R. T. Chambers, of Stockton, S. S. Griffin of Centerville, and Albert Peterson of Rock Creek are successful representative farmers, highly respected and gentleman that most creditably represent the party. Mr. Peterson is a Swede.

Mart Howe is too well and favorably known to need more than a mention. His record as a republican was entirely too clean for the corporations.

J. M. Meddins was named as a representative of organized labor, being an influential member of the Lincoln Typographical union. He is fully identified with the reform movement.

F. Schweizer for commissioner, is one of the shrewdest and best read German farmers in the state.

These men are all deeply in earnest in the cause of the people. They will make a fight to win.

The people now have a chance to decide between a ticket of clean, capable representative men, and a ticket of men who represent the corporations and banks, and will oppose every species of reform.

We believe the men on the people's ticket have more than a fighting chance to win. Let the people rally to their support promptly and use every legitimate effort for their success.

HERE is the way in which the Tacoma Sun paints the present financial and social condition: The plain, plodding, every day people, though honest and industrious, produce all the wealth but share little or none, while the cunning and strong produce little or none, but share most of the wealth.

A LIBERAL OFFER.

Two Fine Hogs Worth \$25.00 Each to be Given Away.

Bischel Bros. of Kearney are proprietors of the U. S. Tecumseh Corwin Herd of Poland China hogs. They are also enthusiastic workers in the people's movement. In a letter received a few days ago they make the following offer. To the person raising the largest number of subscribers to the ALLIANCE-INDEPENDENT before Sept. 1, '92, they will ship the first choice of their spring pigs; and to the person getting the second largest club they will ship the second choice. These pigs will be worth not less than \$25.00 each. They will be about five months old. They are bred from stock selected from the best herds in Iowa, Indiana, Illinois, Ohio and Nebraska. They are as good as can be found anywhere. Their hogs are mainly of the U. S., the Corwin and Tecumseh strains of Poland Chinas.

The editor of the ALLIANCE-INDEPENDENT is well acquainted with the Bischel Bros., and can vouch for the genuineness of this offer, and the reliability of their representations.

Here is a fine opportunity for some patriotic independent to help on the cause of reform, and improve his stock at the same time. Who will try it? Let us hear from you at once. We will accept subscribers under this offer for one year, six months, or for the campaign. One yearly subscriber counts as much as two for six months, or four for this premium, mark every list you send in "For hog premium."
