SIX MORE ROOMS TO BE ADDED TO **GOLDEN HOTEL**

Arcade Will Be Placed Over Private Alley Connecting With Second Floor Of P. O. Building.

Plans have been completed for adding additional rooms to the Golden hotel and work will start thereon about the first of the month.

The building just north of the Golden, now housing the postoffice. was originally intended for an addition to the hotel when same was needed, a door being placed on the north side of the hotel proper at the end of the west hall on the second floor. The second floor of the building will now be utilized for the purpose for which it was originally intended. An arcade will be placed over the private alley from the second floor, connecting the two buildings, and six more rooms will be added to the hotel. All of these rooms will be equipped with bath, part with shower and part with tub baths.

In addition to installing baths in these rooms the management intends to install baths in four more rooms in the hotel proper. These additional rooms were made necessary on account of the increased patronage the hotel has been receiving the past few months, as there is hardly a night that they do not have to turn away transients seeking accommodations.

Meeting Held Here On

Law Enforcement Friday this opportunity to thank those Last Friday Secretary Beals, of who took part in the program Sunthe League of Nebraska Municipal- day. Assessors Nearing Finish County Assessor Sullivan says that fifteen of the precinct assessors have completed the work of assessing their townships and have sent in their schedules, which leaves twenty-one still to complete bran. This will make sufficient their work. All schedules must be in the hands of the county assessor by the last Monday in May. A perusal of the schedules show that the valuation of the county will be about the same as last year for taxation purposes. While cattle and hogs, and horses are assessed higher than they were a year ago there are fewer of them in the county, so that the total valuation will be about the same as that of last year.
