C. E. Cronin, Attorney**ORDINANCE NO. 162-A**

An Ordinance creating Paving District No. 3, in the City of O'Neill, Nebraska: Defining its limits and boundaries, and providing for the improvement of certain streets in said district by grading, curbing, guttering, draining and paving, describing the property especially benefited by said improvements, and providing for plans, specifications and estimates of costs thereof, and securing bids and letting contracts for the construction of said improvements, and providing for the cost thereof, and for the issuance of Intersection Bonds of said City, to pay the cost of improving the intersections and areas formed by crossing of streets and alleys in said District, and for the issuance of District Paving Bonds, to pay the costs of improving said streets exclusive of said intersections in areas aforesaid and for the making of special assessments against the property especially benefited by said improvements, and for a sinking fund to pay all of said paving bonds, and for the issuance of temporary warrants as the work progresses.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF O'NEILL, NEBRASKA:

Section 1. There is hereby created in the City of O'Neill, Nebraska, in the County of Holt a street improvement District to be known and designated as Paving District No. 3, of the City of O'Neill, Nebraska.

Section 2. Said Paving District No. 3 of the City of O'Neill, Nebraska, shall and the same does hereby comprise all the territory lying and being within the following boundaries:

Beginning at the South West Corner of Lot 21, in Block 16 in the Original town of O'Neill, and running thence North parallel to and 180 feet West of the West line of Fourth Street, to the North line of Benton Street, thence East along the North line of Benton Street to a point 180 feet East of the East line of Fourth Street, thence South parallel to and 180 feet East of the East line of Fourth Street, to the Southeast Corner of Lot 21, Block 15, in the Original town of O'Neill, Nebraska, thence West along the North line of Douglas Street to place of beginning.

Section 3. The following street within Paving District No. 3, shall be, and hereby are ordered improved by grading, draining, curbing, guttering and paving the same to-wit: Fourth Street from the North line of Douglas Street to the North line of Benton Street.

Section 4. The widths to be paved on road ways between the curbs of said street shall be as follows, from the North line of Douglas Street to the North line of Clay Street to be 68 feet wide; from the North line of Clay Street to the North line of Benton Street to be 68 feet wide.

Section 5. All of said draining, grading, curbing, guttering and paving shall be constructed to the established grades as fixed by the Ordinances of said city and the center line of said paving shall be the center of said respective streets.

Section 6. The Special Engineers employed by the City, shall make detailed plans and specifications for said improvements and an estimate of the cost thereof, and shall submit the same to the City Council of O'Neill, Nebraska, and upon the approval of the same by the City Council bids for the construction of said work shall be invited by advertisement. In advertising for bids for any such work, the amount of the engineers estimate of cost shall be published therewith. Upon acceptance of any bids therefor the Mayor of O'Neill, Nebraska, is authorized to enter into a contract on behalf of the City for such work, and the City Clerk shall attest the execution of said contract, and attach the City Seal thereto. The City Council shall have the right of rejecting any and all bids.

Section 7. The cost of grading, curbing, guttering, paving and draining the intersections and areas formed by the crossing of streets and alleys, including all expenses incidental thereto, shall be paid by issuing and selling Intersection Paving Bonds of the City of O'Neill, Nebraska, as authorized by the Statute and the City Council shall

levy annually a tax upon all taxable property within the city of O'Neill, Nebraska, sufficient to pay the principal and interest of said intersection bonds at the time same shall become due.

The cost of grading, curbing, guttering, paving and draining said streets exclusive of the intersections and areas formed by the crossing of streets and alleys, including all expenses incidental thereto, shall be assessed against the lots and parcels of real estate in said paving district abutting upon or adjacent to such highways and streets or especially benefited thereby in proportion to such benefits and not in excess of such benefits on the cost of such improvements.

For the purpose of paying the cost of grading, curbing, guttering, paving and draining said streets exclusive of intersections and areas formed by the crossing of streets and alleys and all expenses incidental thereto, the City Council shall, after the completion of the work, cause to be issued bonds of the City of O'Neill, Nebraska, to be called District Paving Bonds, District No. 3.

The special taxes and assessments levied upon the property especially benefited as aforesaid when paid shall constitute a sinking fund for the payment of said District Paving Bonds and the interest thereon.

Section 8. For the purpose of making partial payments as the work progresses warrants shall be issued by the City of O'Neill, Nebraska, upon certificates of the Special Engineers in charge, showing the amount of work completed in a sum of 80 per cent of the total thereof, which warrants shall be redeemed and paid upon the sale of bonds as aforesaid.

Section 9. This Ordinance shall take effect and be in force from and after its passage, approval and publication as provided by law.

Passed and approved this 7th day of August, 1935.

JOHN KERSENBROCK, Mayor.
Attest: C. W. Porter, City Clerk.
