BRIEFLY STATED

Mrs. Emmet A. Harmon entertained the Delta Deck Club at her home on Wednesday afternoon.

Mrs. F. J. Dishner made a business trip to Omaha the latter part of last week, returning Tuesday night.

Coach Elmer Stolte, of the local public school, returned Sunday from Chadron where he visited friends.

Mr. and Mrs. Clarence Campbell came up from Omaha last Saturday for a couple of days visit with relatives, returning home Monday.

Mrs. Pete Todshon and children drove down to Grand Island last Friday for a couple of days visit with relatives. Pete went down Sunday morning and brought the folks back that evening.

Last Thursday morning the state railway commissioners announced the appointment of several farm storage inspectors for different counties of the state. In this county they selected Arthur Runnels, of Stuart, and C. W. Porter, of this city.

Atkinson and Ewing public high school elevens at Ewing last Friday played and Atkinson won, 20 to 0, an Atkinson student on his way

home reported here. A large number of Atkinsonites, including teachers, went down to cheer their warriors on to victory.

Mrs. Mary MacCloed and son, Hugh and Mrs. Mary Wolfe came up from Omaha yesterday for a few days visit. Mr. MacCloed and Mrs. Wolfe returned to Omaha Monday afternoon, while Mrs. MacCloed remained here for a couple of weeks visit with relatives and friends.

THE NEBRASKA SCENE

by James R. Lowell
As the Nebraska legislature swings well into its second week of its special session, little has been accomplished toward a definite set-up in the social security bills.

The cost of Governor Cochran's social security program in state funds until February 28, 1937, has been established officially at \$3,803,000. This includes old age pensions, direct relief, various child welfare activities, and supplemental blind assistance. The only phase of the program not included in the figure is an increase in the regular state appropriation for vocational education.

Estimates are made on the program's cost as worked out by the finance committee of the house of representatives with the advice of Milton C. Murphy, assistant attorney, are included: Old age pension, \$2,400,000; direct relief, \$788,000; care of dependent children, \$500,000; care of crippled children, \$25,000; supplemental blind assistance, \$50,000; child welfare, \$40,000.

The most apt sources of revenue for this money are: 1 cent gasoline tax collected March 1, 1935, to September 20, 1935—\$1,113,000; new 1 cent gasoline tax from December 1, 1935, to June 30, 1936—\$1,130,000; beer and liquor taxes—\$1,000,000; per capita tax (including 500 thousand dollars from a \$2 tax on persons between 21 and 50 and 60 thousand dollar balance from 50 cents tax under 1933 law)—\$560,100.

The special one cent per gallon gasoline tax bill has already been passed by both houses and has been sent to the governor as the first of his own bills to be present-

ed to him for his signature of approval.

Although Governor Cochran has reiterated his assertion that the 1-cent gasoline tax will be adequate for the social security plan, other bills are being proposed for revenue among which is a parimutual tax. This bill is S. F. 9, by McGowan, imposing a two per cent tax on parimutual betting for old age assistance fund, and despite some opposition has been endorsed by the senate and advanced to the third reading.

The old age pension setup leans to the five per cent plan. A person having one thousand dollar's worth of property, for example, would be considered to be receiving \$50 a year or \$4.17 per month income from it, and subtracting it from the proposed \$30 per month income, he could not receive a pension of more than \$25.83 per month. Other income, however, might be deducted, and if the funds were insufficient, his pension would be scaled down accordingly.

The Townsend old age pension plan, which proposes to pay all persons 65 years of age two hundred dollars a month was voted down in the house of representatives by a vote of 49 to 20. Opponents of the resolution frankly labeled the Townsend plan as fantastic, impossible, and a "cruel device for building up false hopes in the hearts of the aged."

The voice of Governor R. L. Cochran was added to the rising tide of protest against discontinuation of direct federal relief to Nebraska. Cochran declared that he would make an appeal to federal relief officials for an additional \$250,000 for November needs and ask a \$500,000 grant for December, the month when Harry L. Hopkins national relief head, has said Nebraska would be cut off the dole. With only \$250,000 allotted to Nebraska so far in November, according to Administrator Witte little can be done to alleviate suffering on \$15 per family.

According to Bert L. Hardenbrock of Ord, president of the \$2-116,890 North Loup public power and irrigation district, the North Loup project has been approved by PWA, PA and President Roosevelt, and is awaiting the allotment of funds by the treasury department.

Help in solving Nebraska's transient problems was offered lately when D. F. Felton, state WPA administrator, stated that \$9,000 of federal money had been allotted for the operation of work camps at Chadron, Carter Lake and Bellevue. At the same time F. R. Huss district 3 WPA director, reveals 225 men went to work in southeastern Nebraska Friday morning on 10 WPA projects for which \$43,948 federal funds has been allotted and \$30,742 in sponsors contributions are available.

EMMET ITEMS

Mr. and Mrs. Arthur Barnes and family of O'Neill, and Mrs. Nora Luben and children were Sunday dinner guests at the William Luben, Jr., home.

Bart Malloy, of O'Neill, has purchased the house in Emmet formerly owned by Frank Pruss.

Raymond Fernholz came home from the CCC camp at Valentine Friday to spend a few days with his folks. He returned to Valentine Monday.

George Weldon has returned home after a few days picking corn near Irwin, Iowa.

Miss Evelyn Tomjack returned Sunday from her home in Ewing.

Mr. and Mrs. Charles Earles returned home Thursday after a few weeks visit with relatives and friends in Omaha.

Bobby Gortner, small son of Mr. and Mrs. Bob Gartner of Emmet, had the misfortune of being kicked by a mule, one day last week.

Seven stitches were taken in his hand and quite a few on his head. He is getting along nicely.

Mr. and Mrs. Charles Earles were dinner guests of Mr. and Mrs. Venary, of Chambers, Sunday.

Oscar Newman and Mr. and Mrs. Carson, of Opportunity, visited at the Steward Earl home Saturday evening.

Mrs. Robert Allen's grandmother, Mrs. Elsbery, of Atkinson, passed away at her home in Atkinson Saturday.

Mr. and Mrs. Clyde Allen went to Ainsworth Monday to attend the funeral of Mrs. Allen's uncle, Judge Robert Baker. Judge Baker was one of the first depot agents in Emmet.

John Conard attended the football game in O'Neill last Monday. Mr. and Mrs. Howard Wilson and children moved to Pender, Nebraska Sunday where he is employed in a filling station.

A bridge party was held at the home of Mrs. Jess Wills Friday afternoon. High score was won by

Miss Bonnie Welsh and low score by Mrs. William Dailey.

John O'Donnell returned to his home Sunday night from Wisner, where he had been shucking corn.

Mr. and Mrs. Elwin Thompson, of O'Neill, visited at the Frank Sessler home Monday night.

Neal Ryan spent the week-end in O'Neill with his father.

Mr. and Mrs. Warren Borglet, of Wisner, were visitors at the home of Mr. and Mrs. William Grothe on Wednesday.

Fred Grothe, of Wisner, is spending the week visiting at the home of his nephew, William Grothe.

Warren Borglet, of Wisner, purchased a carload of cattle at the Atkinson sale yard last Tuesday.

A SPENDTHRIFT is like a cannon ball. He must go on. If he stops his career is over.

WOOL SWEATERS—For Boys. Black—heavy wt.—Coat style. Size 30 to 34 Out they go— **79c**

THE FASTEST-STARTING GASOLINE IN STANDARD OIL HISTORY HAS ARRIVED

35% QUICKER WARM-UP WITH NEW STANDARD RED CROWN
AT THE PRICE OF "REGULAR" GASOLINE

SOME surprising new discoveries have been made recently about what it takes to start a cold automobile engine—start it and warm it up to full, smooth drive-away power faster.

For many years Standard's research staff has been at work on this problem. Not satisfied with laboratory experiment alone, they have conducted thousands of road tests—in all sorts of temperatures—using all sorts of gasoline formulas.

And now they come forward with a motor fuel that is different, in many respects, from any that ever went

into a gasoline tank before—a motor fuel which embodies all these newly discovered principles—which really is *quick starting* without the drawbacks that so often go with that quality.

This new Standard Red Crown starts at the first flash of the spark. But on top of that it has *fully 35% faster warm-up* speed in zero temperatures. Actually it will get your car started and *under way* as quickly and easily in mid-winter as in mid-summer. You'll be free from vapor lock. You'll get better winter mileage. Try it!

It's ready in the pumps now—look for the STANDARD sign

HERE'S WHERE TO GET IT—
