NOTICE OF INTENTION TO ISSUE REFUNDING BONDS OF THE CITY OF O'NEILL, NEBRASKA.

Notice is hereby given that a regular meeting was held by the City Council of the City of O'Neill, Nebraska, on the 7th day of January, 1936. That said meeting was adjourned to January 8, 1936, 2 o'clock P. M. That on the 8th day of January, 1936, 2 o'clock P. M., at a regular meeting of the Mayor and City Council of O'Neill, Nebraska, held on that day, a Resolution was duly passed wherein it was directed that a public notice be given of the intention of the City of O'Neill, Nebraska, to issue Refunding Bonds of the City of O'Neill, Nebraska, which bonds are to be designated and known as "City of O'Neill Refunding Bonds, Series A," in the sum of \$13,000.00. That on September 1, 1925, it was ordered by the Mayor and City Council of the City of O'Neill, Nebraska, by Ordinance No. 101-A, duly passed and approved on said date, that the City of O'Neill issue bonds designated as "City of O'Neill Refunding Bonds, Series A," in the sum of \$18,000.00, which bonds were issued in denominations in the sum of \$1,000.00 each and numbered from one to eighteen inclusive and bearing interest at the rate of 4 1/2 per cent per annum, payable annually, which bonds were due 20 years from date and of which issue there now remains unpaid and outstanding, the sum of \$13,000.00 and which outstanding indebtedness bears interest at the rate of 4 1/2 per cent per annum. That all of said bonds were optional for payment on or before January 1, 1936. That since the issuance of said bonds, the interest rate on money has declined and that by taking up and paying off said bonds by issuing of Refunding Bonds as provided for by law, a substantial saving in the amount of interest can be saved by the City of O'Neill and that it is sought and the City of O'Neill proposes to take up, redeem and pay off said issue of bonds that are known as "City of O'Neill Refunding Bonds, Series A," of which \$13,000.00 thereof is outstanding, by the issuance of Refunding Bonds of the City of O'Neill, Nebraska, in the sum of \$13,000.00, to be known and designated as "City of O'Neill Refunding Bonds, Series C," to be dated April 1, 1936, to be in denominations of \$1,000.00 each and numbered one to thirteen inclusive and to be due in twenty years from their date and to be optional for payment by said City as follows: Bond Number 1 to be optional for payment 1 year from date. Bond Number 2 to be optional for payment 2 years from date. Bond Number 3 to be optional for payment 3 years from date. Bond Number 4 to be optional for payment 4 years from date. Bond Number 5 to be optional for payment 5 years from date. Bond Number 6 to be optional for payment 6 years from date. Bond Number 7 to be optional for payment 7 years from date. Bond Number 8 to be optional for payment 8 years from date. Bond Number 9 to be optional for payment 9 years from date. Bonds Numbered from 10 to 13 both inclusive, to be optional for payment 10 years from date. Said Bonds to bear interest at the rate of 3 per cent per annum, payable annually.

Notice is further given that any taxpayer of the City of O'Neill, Nebraska, may file objections to such proposed action of the City of O'Neill, Nebraska, in the issuance of "City of O'Neill Refunding Bonds, Series C," with C. W. Porter, City Clerk of the City of O'Neill, Nebraska, in the Council Chamber of the City of O'Neill, Nebraska, in said City, on the 7th day of February, 1936, between the hours of 9 o'clock A. M., and 6 o'clock P. M.

C. W. PORTER, City Clerk.

MEEK AND VICINITY

Mrs. Ella Karr is staying with Mrs. Rhoda Sargent. Elmer Devall spent Wednesday evening with Cecil Griffith. Mr. and Mrs. Harry Fox and Virginia Rausch returned Thursday from a visit in South Dakota.

Funeral services were held on Sunday afternoon at the Pleasant Valley church for Mrs. Herb Worth who passed away Thursday evening at 10 o'clock at the home of her daughter, Mrs. Roy Karr. Mrs. Worth had been in poor health for some time, but was able to be up and around. On Thursday afternoon she attended the Ladies Aid at Mrs. Luber's and while there suffered a stroke which caused her death that evening. Mrs. Worth grew to womanhood in this locality, but later moved to Wayne where she lived for several years, moving back here a few years ago. She will be greatly missed by her family and friends for she was a lovely kind, friend and neighbor. The family have the sympathy of the community in the loss of a dear wife and mother.

Paul Nelson, Cecil Griffith, Elmer Devall, and Mart Schelkopf helped put up ice at the Rouse Bros. on Monday. Frank Griffith also helped pack and Walter Devall helped saw at the pond.

Guests at the William Hubby home Sunday, Jan. 5 were, Mr. and Mrs. Virgil Hubby, Mr. and Mrs. Howard Rouse, and Lawrence, Delbert, Lloyd and Arthur Rouse.

Howard and Arthur Rouse, Elmer and Walter Devall, Paul Nelson and Mart Schelkopf helped put up ice at Frank Griffith's Tuesday.

Mr. and Mrs. Jim Abbott are moving to the Mart Schelkopf place in the near future.

Sam Robertson, Howard Rouse, Cecil Griffith and Mart Schelkopf helped Axel Borg put up ice last Thursday.

Charlie Hoyer seemed to think he was driving on a paved road from coast to coast when he was helping George Hansen put up ice. The report is that he loaded the box on the back of his car with cakes of ice, drove from the pond to the Hansen home, backed up to the ice house, before he discovered that he had lost all the ice on the way in.

Charlie Fox gave the Eighth grade exams at the Meek school last Friday.

The sale at Ray Kurtz's on Friday was well attended and the stock brought a good price.

Another old timer of this locality died last Sunday night. Mrs. Ridgeway, one of the old settlers here, who has been in very poor health for a long time, is dead. Mr. Ridgeway preceded her in death several years ago. Services were held at the M. E. church in O'Neill on Wednesday afternoon, and burial in the O'Neill cemetery at the side of her husband and two daughters.

SOUTHWEST BREEZES

Rev. Jay was out Sunday from Emmet to hold services at the Amelia Methodist church.

Frank Skrdla, Chevrolet dealer in Atkinson, with Mrs. Skrdla, visited Sunday afternoon and evening at the Riley ranch.

Young, Baker and James are three extensive cattle raisers of the community whose herds furnished no reactors on the T. B. test.

Pat Kennedy is leaving the ranch soon and will reside in Amelia. Mr. Kennedy has been a resident of Swan precinct, on the same place, for forty years.

Archie and George Reed have turned their attention to fur buying and are gathering up the accumulated pelts of the neighborhood with an occasional beef hide.

One by one the laws passed by congress at the behest of the president are being exploded. Now if there was some way to explode the billion dollar treasury deficit there wouldn't be so much left of the New Deal.

Balers have been at work at E. E. Young's haywiring a few stacks for market. Hay may be more or less of a "drug on the market" but it is a great consolation to the ranchers that their cattle can wallow in it this winter.

Levi Clemens went to Atkinson Saturday with the mail carrier and from there found his way to Brunswick, where he went for a visit at the home of his father. The boys are doing a good job of looking after things at home while dad is away.

Something like 50 head of T. B. cattle have been found among herds in this community. One place 22 head reacted but many have none at all. Occasionally one reactor was found where a 10 per cent test was made. In such cases testing of the whole herd is carried out.

Many of the neighbors these January days are preparing and taking care of the household supply of fresh beef. A choice one from the young herd having been put on special diet is soon in shape for the amateur butchers. Supplemented with a hog or two and poultry at will most everybody is on full feed.

And now comes the word that the supreme court says that the United States treasury must turn back to factory and mills some 200 million dollars process tax. It has been stated the Norfolk flour mills' share will be \$20,000. This household uses the Norfolk flour and finds it number one quality. We'll expect the mill to cut the price of flour to the consumers until that twenty thousand is returned to them.

If you confront a huge, fattened and flavored roast turkey at the festal board at dinner time there is tangible and enticing evidence that anticipated gustatory pleasure is to be amply and completely experienced. Owing to the generosity of an appreciative neighbor in sending over just the other day the above mentioned all ready for the oven, Thanksgiving, Christmas and New Year's dinners have thus early been repeated. This is not the first token of the kind and one is led to feel it is worth a United States mint to be a resident of a community of such neighbors.

On the last trip to O'Neill it was noted with some regrets that the old rink had met the fate of the AAA. Built originally by Ed F. Gallagher and Tom Birmingham as a roller skating rink it became the social and amusement and cultural center of a people who had few if any peers in the state. Everything—boxing exhibitions, balls, intellectual, musical and spiritual inspirations, home talent and professional plays and programs, political meetings and conventions and at one time a clothing and dry goods store launched by McClure, were within its always delapidated walls. Governors, high army officers and other notables had been honored guests there. Suppers, bazaars, and Will Dobbs' state fair exhibit were sanctioned between. As a building it was not so much but no place ever housed such a variety of talent and its disappearance removes a notable landmark. R. S.
