Here's one cigarette that writes its own advertising..

It's like this—
 You see I'm reading a Chesterfield advertisement and I'm smoking a Chesterfield cigarette, and all of you are smoking Chesterfields.

Now listen— Chesterfields are mild (not strong, not harsh). That's true isn't it?
 Then you read "and yet they satisfy, please your taste, give you what you want in a cigarette." That says it, doesn't it?
Wait a minute—
 It says now that Chesterfields have plenty of aroma and flavor. One of you go out of the room and come back. That will tell you how pleasing the aroma is.
