Stomach Gas So Bad Seems To Hurt Heart

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to hurt. A friend suggested Adlerika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never feel better."—Mrs. Jas. Miller.

Adlerika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adlerika gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.
Dr. H. L. Shoup, New York, reports: "In addition to intestinal cleansing, Adlerika greatly reduces bacteria and colon bacilli." Give your bowels a REAL cleansing with Adlerika and see how good you feel. Just one spoonful relieves GAS and stubborn constipation. Leading Druggists.

Watch Your Kidneys!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.
Then you may suffer nagging back-ache, dizziness, scanty or too frequent urination, getting up at night, puffiness under the eyes, feel nervous, miserable—all upset.

Don't delay? Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.
