Household Questions

Surveys have shown that once-a-day dish washing represents an economy of time.

To make jar lids easy to remove, place the jars upside down in hot water for a minute or two or run hot water over the lids.

A little crushed ice added to the cold water in a bag makes it comforting to febrile brows for a longer time than cold water alone.

Peroxide of hydrogen will remove perfume stains from linen bureau scarfs.

Add two tablespoons of shortening to the griddle cake batter and it will not be necessary to grease the griddle.

Picture frames should be chosen to harmonize with the pictures for which they are intended. As a rule, the frame should be as dark as the middle tone of the picture. It should also relate the picture to the wall so that there is an easy transmission from one to the other.

Orange Sweet—Take the peel from the oranges and cut them into rather thin slices. Make a layer in a glass dish, cover with freshly-grated coconut and a little sugar if the fruit is rather sour, and continue in layers, finishing with coconut and sugar.

Gas, Gas All the Time, Can't Eat or Sleep

"The gas on my stomach was so bad I could not eat or sleep. Even my heart seemed to hurt. A friend suggested Adierika. The first dose I took brought me relief. Now I eat as I wish, sleep fine and never feel better."

Adierika acts on BOTH upper and lower bowels while ordinary laxatives act on the lower bowel only. Adierika gives your system a thorough cleansing, bringing out old, poisonous matter that you would not believe was in your system and that has been causing gas pains, sour stomach, nervousness and headaches for months.

Dr. H. L. Shook, New York, reports "In addition to intestinal cleansing, Adierika greatly reduces bacteria and colon bacilli." Give your bowels a REAL cleansing with Adierika and see how good you feel. Just one spoonful relieves GAS and constipation. At all Leading Druggists.

Sentinels of Health

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out. Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
