Red Coral Always Prized

It is red coral that is and always has been prized, not solely for jewelry and buttons, but as a charm to bring safety, health and secrets not ancient Gauls rushed headlong into battle, they trusted their safety to their swords, strength and the 'magic' coral imbedded in their shields or helmets. Many Italians and Indians regard coral as protection against the "evil eye." The world's red coral comes from the reefs off the Mediterranean coast of Africa, says the Washington Post, and is obtained chiefly by Italians.
