What Makes a Home?

Aside from family and friends the really inviting home is made by articles of comfort and taste that create an atmosphere of coziness and charm.

Too often a home suffers because income seems insufficient to provide the needed things. Here is where the ads in this newspaper help overcome obstacles.

Two pounds of flank or round steak, have the butcher grind it for you. One chopped onion, 2 cups canned kidney beans, 2 tablespoons catsup, half teaspoonful Worcestershire sauce, one-third cup cooking fat, and salt and pepper.

above motion and the vote thereon was as follows: Aye—Protivinsky, Coyne, Lindberg, Bazelman, Uhl; Nay—none.

Motion by Councilman Uhl, seconded by Councilman Bazelman, that Ordinance No. 179-A be passed and adopted. Roll was called on the above motion and the vote thereon was as follows: Aye—Protivinsky, Coyne, Lindberg, Bazelman, Uhl; Nay—none.

The matter of the bids for the new pump house were discussed but as they were not complete the matter was tabled for a future meeting.

Upon motion the Council adjourned subject to the call of the Mayor.

C. W. PORTER, City Clerk.

Across The Kitchen Table

Good Morning! May I have the chair by the window? And don't scurry about making everything so perfect, my kitchen's often cluttered too.

What a pretty apron you have on. Do you know aprons are a sort of a hobby of mine. I have a lot of them, in pretty prints and checks and even in plain colors.

I keep on the watch for striking colors and designs in cotton goods. Usually I can find bias tape, rick-rack or like trim either to match, or to contrast with the material.

Aprons which match dresses make nice sets to wear in the home. Very often little daughter is pleased to have an apron just like mother's—and in this day and age when mothers and daughters dress alike, it is an idea.

A clever apron makes a nice gift. Be sure you choose material which is colorfast and durable.

I see you have a comfortable rocker by the south window. Now, that's an idea. And sure enough, there's "A Lantern in Her Hand" on the wide sill beside it.

Have you read the rest of Bess Streeter Aldrich's books, they are all such good stories, and you don't know that she lives at Elmwood, Nebraska?

Before I go I want to give you those recipes which make the penny pinchers grin with delight—and aren't we all penny pinchers—if we aren't ought to be.

Kidney Bean Hamburger Two pounds of flank or round steak, have the butcher grind it for you.

Brown meat in cooking fat. Stir to prevent sticking. Add onion, catsup and Worcestershire sauce. Cover with hot water.

Hungarian Goulash Two pounds chuck, 2 cups noodles 2 cups tomatoes, half cup diced celery, one green pepper, chopped, two teaspoons flour, 4 cloves, 1 cup diced salt pork, half cup diced onion, 2 cups diced carrots, 2 tablespoons minced parsley, salt and pepper.

Cut the beef in 1 inch tubes. Roll in flour. Combine pork and beef.

Cook until brown, stirring constantly. Add sufficient water to prevent sticking. Cover. Cook until meat is tender.

You Might Like to Try Rubbing the inside of the chicken with the cut half of a lemon before putting in the stuffing.

Mystery: Are they baby fish, or aren't they? That is the question Mrs. Wilcox gave us a jar full of hundreds of leggy, whizzing, water mits that don't seem to be anything—yet. What are they?

PUBLIC SCHOOL NOTES

Pinky, our turtle, thinks his raft in the fish bowl one place where he can sit and laugh at the eight gold fish and two tiny bullheads.

Everyone was weighed again last week and found that he had gained a little bit over October's weight.

Grade basketball practice began this week. With ten seventh grade boys out it looks as if we have plenty of enthusiasm over it.

Verne Bishop entered our room Monday bringing our enrollment up to twenty-two.

In English the students originated and prepared some little short plays illustrating the value of good English.

The spelling class is very interested in watching the graph of the daily standing of the two sides.

Our class club was organized with the following officers: Meredith McKenna, president; Harold Calkins, vice president; Warren Burgess, secretary; Robert Bachman, treasurer.

At a meeting this week, committees were chosen to oversee and make suggestions concerning the conduct of the class as a whole.

We have been studying Australia in our geography work and find that it is rather an unusual continent.

Students on the honor roll are: Jerry Toy and Keith Vincent. The English class wrote stories on Helpfulness and a committee was appointed to judge the stories from the standpoint of content and mechanics.
