Copper Shares.

Safest Investment, Largest Dividends.

A portion of the full paid and non-assessable capital stock of the Boston & Texas Copper Company is offered for sale at Five Dollars per share...

The company controls twelve thousand acres of rich copper land in North Texas which is also valuable for farming and town site purposes...

The property has been developed sufficiently to begin producing at once, large amounts of the richest copper ore (40 to 70 per cent.) taken out and marketed...

The property is within 12 miles of a railroad and fuel and water are available. The ores and marl are on the surface and a few feet down...

The property has a historical reputation and a record in the State Geological Reports. It has been examined and reported upon by the highest engineering, geological and expert authorities...

From Report of Prof. Wm. DeRyee, former State Chemist of Texas. Such numerous outcrops of copper ore have been traced over the summit and sides of those hills...

A cross-cut to the depth of 15 feet was made upon the Isbell lead, and ten hours' work resulted in the raising of 6,000 lbs. of rich copper ore...

It is easily smelted and the strata in which it is found can also be more economically excavated than other in which copper ores occur.

From Report of Prof. W. F. Cummins, former Geologist of Texas. In order that I might see the condition of this lode after this amount of work had been done...

I only had to remove one foot of earth from the surface on the three spots already mentioned in order to find large deposits bedded into the clay...

From Report of Prof. Gustave Westman, Mining Engineer. I beg to express my entire satisfaction with and confidence in the report made by Prof. W. F. Cummins.

Major F. M. Spaulding, of Boston, and C. F. Crosby, Esq., of Lowell, Mass., who returned June 16th from an examination of the property on behalf of the Company's stockholders...

FROM REPORT OF T. BURTON EVERETT, MINING ENGINEER AND EXPERT.

ARCHER CITY, TEXAS, MAY 3, 1899. GENTLEMEN:—There is abundant evidence of rich copper deposits, not only at the mines already opened, but at various other parts of the property...

The mines are accessible at every point; the cost of mining will be very small, as the ore is not in hard formation; and there is no deep work.

Very respectfully yours, T. BURTON EVERETT, M. E.

Mr. G. H. Savage, Mine Examiner of Butte, Montana, after gaining sample of ore from the property, says: "The ore is the richest in the country."

The Company is thoroughly organized with substantial business men in the management. It has such extensive acreage of land, rich in copper...

Remit by P. O. Order, Registered Letter, Check or Express to Edward B. Robins, Treasurer, Tremont Building, Boston, Mass. Price \$5.00 per Share, Subject to advance.

BOSTON & TEXAS COPPER CO.

The cupriferous marl situated below the sandstone, containing 15 per cent. of copper, can be estimated worth at the place at least \$10.00 per ton, net.

From Report of George F. Rendall, Mining Engineer. It is a self-evident fact deducible from every report that on this property large bodies of copper ore exists...

That a deposit of this nature can at a very small expense be made to yield handsome profits, from all existing reports, appears not only likely but certain.

From Report of Francis Arthur Reall, Superintendent. This property is all right and there is all the copper you want here...

The Great Boom in Copper Shares. Copper mining has proved the safest and most profitable industry in America, and the largest and most conservative capitalists in the world have recently become large investors in copper stocks.

This company can produce copper as cheaply as any in the world. It is capitalized the lowest of any in proportion to its acreage, and at the price of copper-bearing land in Michigan (\$400 per acre) containing a much less per cent. of copper...

Receipts for ore and assays by the leading chemists and assayers in the country are on file in the company's offices. The officers and directors of the company are men of the highest standing and business capacity...

Hon. Emery M. Low, manufacturer, mayor of Brockton, Mass., President. George W. Russell, Esq., paper manufacturer, Boston, Vice-President.

Maj. F. M. Spaulding, 2d Vice-President. Col. Edward B. Robins, Boston, Treasurer.

Col. James M. Wheaton, Boston, Secretary. Hon. Jas. W. Bennett, Ex-President Erie Telephone Co.

Only a limited amount of the stock will be sold at the price of \$5.00 per share and those wishing to secure shares should act at once. As stated the stock is full paid and non-assessable.

Amount of land, quantity and quality of ore, cheapness of mining and treatment, nearness to transportation, favorable climate for continuous work the year around, the increasing demand and profit in producing copper considered...

It can easily earn 50 per cent. per year on the price at which the stock is here offered. Stock may be ordered through your banker or broker, or direct as below.
