

PLAY A SPECTACULAR GAME

Leisy Team Wins from the Beacon Press Bowlers.

HIGH SCORES ARE FILED UP

Both Aggregations Knock Down an Unusual Number of Pins and Some New Totals Are Recorded.

In the Booster league Tuesday night the Leisy and Beacon Press teams had the most spectacular game of the season. Not only were the games close, but the teams were going good and as a result some lofty team bumps were rolled. In the argument the Leisys came out ahead with a three-game win when their opponents were rolling a 2,900 total with a fifty-seven-pin handicap to go on. The printers were rolling games that would ordinarily win with 985, 1,066 and 981. The Leisys, however, were unwilling to be outdone and piled up games of 985, 1,017 and 901, totaling 2,903. Out of the 16th totals four were of the 600 variety and the rest were good 500 totals with Green's 534 being low. Those in the select class were K. Sciple with 647, Balzer with 646, Melum with 621 and Martin 603.

DEFEAT FIRST METHODISTS

Hanscom Park Methodists Put One Over on Their Brothers.

SEPIRITED GAME ENDS 17 TO 12

First Baptists Lose to First Christians by the Rather One-Sided Mark of Forty-Two to Eleven.

The church league basketball game at the Young Men's Christian association Tuesday evening resulted in the Hanscom Park Methodists defeating the First Methodist Barabaras by the score of 17 to 12 and the First Baptists losing to the First Christians, 42 to 11.

The game between the First Methodists and the Hanscom Parks was one of the best played contests witnessed in the local gym this season. Up to the last second of play it was any side's game, the score see-sawing in the last half, first to one side and then the other. During the first period of play the First Methodists had the better of the argument, making a total of eleven points as against four of their opponents, but in the last half the play was reversed.

Some sensational baskets were made during the game which made it appear rather spectacular at times. The defeat of the First Methodists in the first one of the season and was entirely unlooked for. R. K. Greenman Saves Life Jumping on Auto.

LEAPS IN THE NICK OF TIME

Oncoming Car Driven by Dr. Beck Going a Fair Clip When Man Starts to Cross Q Street Viaduct.

Presence of mind saved R. K. Greenman, an employe of the Swift Packing company, from serious injury or possible death when he stepped in front of Dr. P. O. Beck's automobile on the Q street viaduct early yesterday morning. The doctor was driving at a fast clip on a sick call. Greenman started for the opposite side of the bridge to go down the steps of the packing plant. He stepped between the grids onto the pavement directly in front of the automobile. Dr. Beck did not have an instant's notice of Greenman's presence until the car was upon him. Greenman made a lunge for the hood of the car and caught hold of the radiator top and swung onto the fender of the machine. He rode for some distance in this perilous position, clutching desperately for his life, before the car was stopped.

Greenman suffered no serious injury. A small abrasion on his right arm where he struck the front of the car was the only mark left by the accident.

Death Without Warning.

Coming here a few days ago to spend Christmas with his niece, Mrs. Harry Clark, whom he had not seen for some years, Thomas Chamberlain of Clarinda, Ia., was suddenly stricken with heart trouble yesterday afternoon and a cloak of gloom was cast over the family's Christmas plans by his death shortly afterwards.

He had been afflicted with heart disease for some time and was under the care of a doctor. His death yesterday came while members of the Clark family were discussing plans for an enjoyable Christmas celebration.

He is survived by a widow. He was 53 years of age. Funeral arrangements will be made later.

Wheeler as Santa Claus. Perry Wheeler has filled many responsible positions since his graduation from college, at present performing the duties of city clerk, but the hardest job that has been put up to him was the impersonation of Santa Claus last night at the Christmas celebration for the children of the First Presbyterian church.

He arose yesterday morning early to make preparations for the occasion. He decided on a dip before breakfast. In turning on the hot water faucet he took such a tight grip he broke the handle and scalding hot water sprayed in all directions. With a groan of pain he rushed to the basement to turn the tap off.

Into the coal bin head first did not ease matters and before he succeeded in turning off the water he was covered with

TINKER GETS FEDERAL OFFER

Chicago Outlaw Club Would Give Him Job to Run Team.

CONSIDERING THE PROPOSITION

Former Manager of Cincinnati Promised Forty Thousand Dollars for Three-Year Contract.

CHICAGO, Dec. 24.—An offer from the Federal Base Ball league promising Joseph Tinker, former Cincinnati manager, more money as manager of the Chicago Federal league club is holding up Tinker's agreement to his sale to Brooklyn by Cincinnati. The offer came to Tinker from James A. Gilmore, president of the Federal league, and it is said, promises \$40,000 for a three-year contract.

Tinker also intimated that he was giving the Federal offer his serious consideration. "I want to play in Chicago," he said, "and organized base ball won't let me. I won't go to Brooklyn, so if I am to remain in the National league the Cubs must get me. The Federal league offer seems to be the only opportunity to play ball and remain in Chicago."

It was said Gilmore is making an effort to have the deal closed so it can be announced in a statement promised for next Monday, when the Federal officials declare they will give out a list of former National and American players who will join them this year.
