Hastings Tribune: One thing that is always amusing, as well as entertaining, is to hear a highbrow from a high grass town talk about the reformation of Omaha, and how should it be done.

Grand Island Independent: Rev. T. J. Mackay, one of the most prominent divines of Nebranka's largest city, supports the contention of the Omaha city commissioners and police authorities that there is no white slavery in Omaha. The social evil no more and no less than ever, is there, but, the assertion is, "slavery" in the sense of bondage to the life does not exist. Mr. Mackay states that he has personal knowledge of efforts to save wayward girls and women-efforts including tangible offers of assistance and protection, but that such efforts have been rejected, those to whom they were offered preferring their way of living. Other authorities are making statements indicating that some of the dramatic stuff of the day is "putting it on" too thick, if justification in fact is to be given any consideration. The question arises: Are theatrical A woman's idea of a Smart Aieck is a managers, lecture promoters, etc., play position to follow sentiment as faddism
